RE: ZON2025-00035 –Zone Change request in the City from LC Limited Commercial District to GC General Commercial, generally located 300 feet west of North Ridge Road and 300 feet north of West Central Avenue.

Dear Applicant,

At its regular meeting on consideration **Wednesday, September 16, 2025**, the Wichita City Council considered the above captioned request. The action of the Wichita City Council was to recommend **APPROVAL** of the request subject to Protective Overlay #457, which reads:

Protective Overlay # 457

1. Uses shall be restricted to those permitted by-right in the LC Limited Commercial District in addition to Outdoor Storage as a Principal Use as permitted in the GC General Commercial District.
2. All development standards shall adhere to the LC Limited Commercial District.
3. Signage shall be per the LC Limited Commercial District.
4. A six-foot solid screening fence shall be constructed where abutting or across the street from residential uses.
5. All drive and circulation aisles shall be paved with a monolithic surface.
6. Outdoor Storage shall be subject to Supplementary Use Regulations found in Section III-D.6.dd of the Unified Zoning Code.
7. All materials stored outdoors shall be neatly stacked and/or organized.

If you have any questions concerning this application, please contact our office at 316-268-4421.

RE: ZON2025-00035 –Zone Change request in the City from LC Limited Commercial District to GC General Commercial, generally located 300 feet west of North Ridge Road and 300 feet north of West Central Avenue.

Dear Applicant,

At its regular meeting on **August 14, 2025**, the Wichita-Sedgwick County Metropolitan Area Planning Commission considered the above captioned request. The action of the MAPC was to recommend **APPROVAL** of the request subject to Protective Overlay #457, which reads:

Protective Overlay # 457

1. Uses shall be restricted to those permitted by-right in the LC Limited Commercial District in addition to Outdoor Storage as a Principal Use as permitted in the GC General Commercial District.
2. All development standards shall adhere to the LC Limited Commercial District.
3. Signage shall be per the LC Limited Commercial District.
4. A six-foot solid screening fence shall be constructed where abutting or across the street from residential uses.
5. All drive and circulation aisles shall be paved with a monolithic surface.
6. Outdoor Storage shall be subject to Supplementary Use Regulations found in Section III-D.6.dd of the Unified Zoning Code.
7. All materials stored outdoors shall be neatly stacked and/or organized.

Property owners opposed to the application may file with the County Clerk a signed, written protest of the MAPC's recommendation. (Unsigned e-mails are not considered to be legal protests.) To be effective, the protest must be filed by 5:00 p.m. on August 28, 2025. In order to be considered a "valid" petition, the signatures must reflect the correct and entire ownership of the property, the property must be at least partially located within 1000 feet of the property for which the application was filed, and must be submitted to the County Clerk by August 28, 2025, at 5:00 p.m.

This application is scheduled for consideration by the Wichita City Council on Wednesday, September 16, 2025, beginning at 9:00 a.m., at 455 North Main Street, Wichita, KS 67202, for final action.

This is a reminder that the zoning notification signs should now be removed from the property. If you have any questions concerning this application, please contact our office at 316-268-4421.

Sincerely,

Moumita Kundu

CASE NUMBER: ZON2025-00035 (City)
APPLICANT/AGENT: Cutting Edge Investments LLC (Applicant) / Blake Schlyer (Agent)
REQUEST: GC General Commercial
CURRENT ZONING: LC Limited Commercial
SITE SIZE: 0.60 acres
LOCATION: Generally located 300 feet west of North Ridge Road and 300 feet north of West Central Avenue
PROPOSED USE: Outdoor Storage as Principal Use
RECOMMENDATION: Approval with Protective Overlay #457

BACKGROUND: The applicant is requesting a zone change from LC Limited Commercial (LC) to GC General Commercial District (GC). The 0.60-acre property is located 300 feet west of North Ridge Road and 300 feet north of West Central Avenue. The property is currently undeveloped but is currently being used to store siding materials. The current zoning of the site doesn't allow Outdoor Storage as the principal use. The applicant is requesting the zone change in order to come into compliance and to allow outdoor storage for fencing, decking, and siding materials. The site is landlocked and has a private driveway owned by the applicant that is used for access to West Central Avenue. This application was submitted due to the applicant being served a Notice of Violation for the existing, non-conforming use.

The requested zone change would generally allow a reduction in setbacks. There will be no changes to minimum lot area or width, front and interior side setback requirements, or maximum height.

Development Standard	LC Limited Commercial District	GC General Commercial District
Minimum lot area	2,500 square feet for Single-Family; 2,000 square feet per Dwelling Unit for Duplex; 580 square feet per Dwelling Unit for Multi-Family (maximum 75.1 Dwelling Units per acre); no minimum for nonresidential uses	2,500 square feet for Single-Family; 2,000 square feet per Dwelling Unit for Duplex; 580 square feet per Dwelling Unit for Multi-Family (maximum 75.1 Dwelling Units per acre); no minimum for nonresidential uses
Minimum lot width	No minimum	No minimum
Front setback	20 feet	20 feet
Rear setback	10 feet	No minimum
Interior side setback	Zero feet or 5 feet	Zero feet or 5 feet
Street side setback	10 feet	No minimum
Maximum height	80 feet	80 feet

There will be no changes to the existing screening and landscaping requirements set forth in the Unified Zoning Code and Wichita Landscape Code, respectively. The requested zone change will also not have an effect on the compatibility height or setback standards that apply to this property when abutting residential zoning.

Due to the proximity of residential uses and surrounding LC-zoned properties, Planning staff recommends the following Protective Overlay.

1. Uses shall be restricted to those permitted by-right in the LC Limited Commercial District in addition to Outdoor Storage as a Principal Use as permitted in the GC General Commercial District.
2. All development standards shall adhere to the LC Limited Commercial District.
3. Signage shall be per the LC Limited Commercial District.
4. A six-foot solid screening fence shall be constructed where abutting or across the street from residential uses.
5. All drive and circulation aisles shall be paved with a monolithic surface.
6. Outdoor Storage shall be subject to Supplementary Use Regulations found in Section III-D.6.dd of the Unified Zoning Code.
7. All materials stored outdoors shall be neatly stacked and/or organized.

According to the Supplementary Use Regulations found in Section III-D.6.dd Outdoor storage or baling of junk, scrap, paper, bottles, rags, or similar materials is not allowed in LC through LI districts.

Properties to the north, south, east, and west are all zoned LC Limited Commercial District. Property to the west is developed with a multi-family apartment complex. Property to the east is developed with a gas station and a convenience store. Properties to the south are developed with a liquor store and a neighborhood shopping center. Property to the north is developed with a bowling center.

CASE HISTORY: In 1990, the subject property was platted as part of Gentry 5th Addition. In the 1950s, the site was located within Sedgwick County. During that time, the County undertook a rezoning effort that reclassified residentially-zoned properties within a three-mile radius of the Wichita city limits to LC Limited Commercial zoning to accommodate anticipated future development. This rezoning applied to the four quadrants of arterial intersections. There have been no other zoning cases associated with the property.

ADJACENT ZONING AND LAND USE:

North:	LC	Bowling Center
South:	LC	Liquor store and a neighborhood shopping center.
West:	LC	Multi-family apartments
East:	LC	Gas station & Convenience store

PUBLIC SERVICES: The site has no direct access to any public right-of-way. It has a private driveway owned by the applicant that is used for access, and the applicant confirmed they plan to continue using this drive as access. West Central Avenue and North Ridge Road are both paved, five-lane arterial streets with sidewalks on both sides. Municipal water and sewer currently serve the site. Wichita Transit provides regular bus service along West Central Avenue and North Ridge Road. The nearest bus stop, on North Ridge Road, is within 250 feet, and on West Central Avenue is within 550 feet.

CONFORMANCE TO PLANS/POLICIES: The requested zone change is governed by the following plans:

Community Investments Plan: The requested zone change is in conformance with *The Community Investments Plan*. The *Community Investments Plan* (the Wichita-Sedgwick County Comprehensive Plan), which includes the 2035 Future Growth Concept Map, recommends the site as appropriate for “Commercial” uses.

The *Plan* defines “Commercial” as “*areas that reflect the full diversity of commercial development intensities and types typically found in a large urban municipality. Convenience retail, restaurants, small offices, and personal service uses are located in close proximity to, and potentially mixed with, Residential Uses. Major destination areas (centers and corridors) containing concentrations of commercial and office uses that have regional market areas and generate high volumes of traffic are located in close proximity to major arterials or highways and typically are buffered from lower density residential areas by higher density housing types.*” Commercial zoning does allow for Outdoor Storage as principal use. The provisions of the recommended Protective Overlay are designed to ensure compatibility with nearby uses.

The Locational Guidelines of the *Community Investments Plan* provide a framework for decision-making regarding land use changes. The requested zone change is in conformance with the Locational Guidelines. These Guidelines encourage major commercial and employment centers to be located at the intersections of arterial streets and along highways and commercial corridors. The subject site is at the immediate intersection of two arterial streets with significant commercial development at the intersection and along the West Central Avenue corridor.

The eastern half of the site is within the Established Central Area. Locational Guidelines for the Established Central Area encourage infill development that maximizes public investment in existing and planned infrastructure and services. For the areas “Outside the Established Central Area,” the Locational Guidelines state, except in mixed-use developments, residential and non-residential areas should generally be separate and distinct, with appropriate screening and buffering to ensure land use compatibility while maintaining connectivity. The site borders a multifamily development to the west, with an existing fence along the shared boundary.

Wichita: Places for People Plan: The requested zone change is in partial conformance with the goals of the

Wichita: Places for People Plan. The subject site is partially located within the ECA. The Wichita: Places for People Plan provides recommendations for urban infill development in the ECA, and it identifies six strategies to help implement the vision. Strategy #6 states, “Encourage infill and redevelopment that is contextual to the environment in which it is occurring.” The context surrounding the subject site includes established commercial zoning and land uses to the south, east, and north. While the abutting property to the west is developed with multifamily housing, it is zoned commercial. Although there is existing fencing along the west side of the property line abutting the multifamily development, introducing a more intensive commercial use on the subject site would not serve as a buffer to the nearby residential areas. Therefore, staff determines that the request is in partial conformance to the Places for People Plan.

RECOMMENDATION: Based upon the information available at the time the report was prepared, the staff recommends the zone change be **APPROVED with Protective Overlay #457.**

Protective Overlay # 457

1. Uses shall be restricted to those permitted by-right in the LC Limited Commercial District in addition to Outdoor Storage as a Principal Use as permitted in the GC General Commercial District.
2. All development standards shall adhere to the LC Limited Commercial District.
3. Signage shall be per the LC Limited Commercial District.
4. A six-foot solid screening fence shall be constructed where abutting or across the street from residential uses.
5. All drive and circulation aisles shall be paved with a monolithic surface.
6. Outdoor Storage shall be subject to Supplementary Use Regulations found in Section III-D.6.dd of the Unified Zoning Code.

All materials stored outdoors shall be neatly stacked and/or organized.

This recommendation is based on the following findings:

1. **The zoning, uses and character of the neighborhood:** Properties to the north, south, east, and west are all zoned LC Limited Commercial District. Property to the west is developed with a multi-family apartment complex. Property to the east is developed with a gas station and a convenience store. Properties to the south are developed with a liquor store and a neighborhood shopping center. Property to the north is developed with a bowling center.
2. **The suitability of the subject property for the uses to which it has been restricted:** The property is zoned LC Limited Commercial District, which can support a wide variety of residential, civic, and commercial land uses. The LC district does not allow the requested outdoor storage as the principal use. The site is suitable for uses to which it has been restricted.
1. **Extent to which removal of the restrictions will detrimentally affect nearby property:** Removal of the restrictions of the requested zone change will bring the current use of the site into compliance. Removal of the restrictions could have detrimental effect by permitting higher intensity commercial uses near residential uses. The provisions of the recommended Protective Overlay are designed to ensure compatibility among uses.
3. **Length of time subject property has remained vacant as zoned:** The site has never been developed, but it is currently being used as outdoor storage for siding materials, which is non-compliant with the current zoning.
4. **Relative gain to the public health, safety and welfare as compared to the loss in value or the hardship imposed upon the applicant:** Approval of this application is not anticipated to have a significant detrimental impact to public health, safety, or welfare. Denial of the request could represent a loss in the use and enjoyment of the applicant’s property.

5. **Conformance of the requested change to the adopted or recognized Comprehensive Plan and policies:** The proposed application is in conformance to the *Community Investments Plan* and is in partial conformance with the *Wichita Places for People Plan*, as discussed in the report.
6. **Impact of the proposed development on community facilities:** Should the request be approved; it is not anticipated to have significant negative impacts on community facilities. The proposed use is not likely to induce a significant increase in traffic to the area.
7. **Opposition or support of neighborhood residents:** Staff has not received comments at the time of the publication of the staff report.
