Scott and Kimberley,

At the **Thursday, April 25, 2024**, meeting of the Metropolitan Area Planning Commission (MAPC), the above-referenced vacation request was approved subject to the following conditions:

- (1) Dedicate the described vacated portion of the unimproved, platted, 30-foot Fairland Road half street right-of-way as a utility and drainage easement for utilities. This easement shall contain language prohibiting any fencing at any point in the future by any property owner that would restrict access to any utilities present. These must be provided to Planning prior to the case going to County Commission and subsequent recording with the Register of Deeds. If these are private easements, provide Planning with approval from the participating franchised utility.
- (2) Any relocation or reconstruction of all utilities made necessary by this vacation shall be the responsibility of the applicants and at the applicants' expense shall be to County Standards. If needed provide a private project for relocation of utilities. The approved private project number must be provided to Planning prior to the case going to County Commission and subsequent recording with the Register of Deeds. If these are franchised utilities, provide Planning with approval from the participating franchised utility.
- (3) Provide original restrictive covenant(s) binding and tying the vacated portion of the vacated street right-of-way to applicants' abutting property. These must be provided to Planning prior to the case going to the County Commission and subsequent recording with the Register of Deeds.
- (4) Provide Planning with a legal description of the vacated street on a Word document, via e-mail. This must be provided to Planning prior to the case going to City Council for final action.

- (5) Provide County Fire and Public Works with any needed improvements, per County Standards and at the applicants' expense.
- (6) Per MAPC Policy Statement #7, all conditions are to be completed within one year of approval by the MAPC or the vacation request will be considered null and void. All vacation requests are not complete until the Wichita City Council or the Sedgwick County Board of County Commissioners have taken final action on the request and the vacation order and all required documents have been provided to the City, County and/or franchised utilities and the necessary documents have been recorded with the Register of Deeds.

When all of the above conditions have been completed and there are no other documents requested; this case will be scheduled for final action by the Sedgwick County Board of County Commissioners at the first appropriate date after **May 9, 2024**, (end of the two-week protest period). This letter also serves as a reminder that the vacation notification signs should now be removed from the property. CASE NO. VAC2024-00018

VACATION ORDER

NOW on this 3rd day of September, 2025, comes the petition filed by Scott and Kimberley Bays, owner(s) of the subject property, praying for the vacations of the following-described portion of a platted street right-of-way and platted street side-yard setback to-wit:

Platted street right-of-way: A portion of North Fairland Drive beginning at the Northeast Corner of Lot 5, Block 4, Springdale County Club Estates Addition, Sedgwick County, Kansas; thence East 30 feet; thence South parallel to the East line of said Lot 5, Block 4 at a distance of 170 feet; thence West 30 feet; thence North along the said East line of Lot 5, Block 4 at a distance of 170 feet.

Platted setback: east 40 feet of Lot 5, Block 4, Springdale Country Club Estates Addition, Sedgwick County, Kansas.

WHEREAS, upon the filing of the petition, the Metropolitan Area Planning Commission ("Planning Commission") set the petition for hearing on April 18, 2024 at 1:30 P.M., and gave notice of said hearing by publication in the official county newspaper on April 4, 2024.

WHEREAS, on April 18, 2024, the Subdivision Committee of the Planning Commission held a public hearing on the petition and separately voted to recommend approval of the two vacation requests to the Planning Commission, subject to the following conditions:

1. notice has been given as required by K.S.A. 58-2613 and amendments thereto;
2. no written objections have been filed with the County Clerk by adjoining properties or any municipality whose subdivisions are applicable;
3. no fence may be placed in the right-of-way portion;
4. the public will suffer no loss or inconvenience by such vacation; and
5. no private rights will be injured or endangered thereby.

WHEREAS, on April 25, 2025, the Planning Commission held a public hearing on the petition and voted on consent to recommend approval of the separate vacation requests to the Board of County Commissioners of Sedgwick County, Kansas, subject to the aforementioned conditions.

NOW, after being duly advised in the premises, the Board of County Commissioners of Sedgwick County, Kansas finds that:

1. notice has been given as required by K.S.A. 58-2613 and amendments thereto;
2. no written objections have been filed with the County Clerk by any owner of land adjoining the area to be vacated;
3. no fence may be placed in the right-of-way portion; and
4. the public will suffer no loss or inconvenience by such vacation; and
5. no private rights will be injured or endangered thereby.

IT IS THEREFORE ORDERED BY THE BOARD OF COUNTY COMMISSIONERS OF SEDGWICK COUNTY, KANSAS that the portion of platted right-of-way and setback described above is hereby vacated subject to the aforementioned conditions and all property rights of public utilities, rights-of-ways, and easements for public service facilities then in existence and use within the vacated area are preserved and protected.

WITNESS MY HAND on April 4, 2024

Scott Wadle, Secretary
Wichita Sedgwick County Metropolitan Area Planning Commission

The applicants propose to vacate the portion of the unimproved, platted, 30-foot Fairland Road half street right-of-way and the platted 40-foot setback, which run parallel to the east lot line of the SF-20 Single-Family Residential (SF-20)-zoned lot; Lot 5, Block 4, Springdale Country Club Estates Addition. All of the north-south Fairland Road was platted as a 30-foot half street right-of-way, from Kellogg/US 54 Highway (north) to Lincoln Street (south), on the Springdale Country Club Estates Addition; recorded November 13, 1951. Fairland is one of four public streets that marked the outside perimeter of the Springdale Country Club Estates Addition, all which were intended to provide access into the addition. All of the interior streets in the addition are private streets. When the east, abutting SF-5 Single-Family Residential (SF-5) zoned Springdale East Addition was recorded, there was no dedication of half street-right-of-way to complete Fairland Road; April 18, 1979. The Springdale East Addition plat's text states that "All abutters rights of access to and from Fairland Road over and across the west line of the Springdale East Addition, except for the north 140.13 feet, are hereby granted to the appropriate governing body." This statement serves for complete access control, denying access to Fairland Road from the east abutting Springdale East Addition. Vacation of the described portion of Fairland would not impact access to the properties located in the east, abutting Springdale East Addition.

This portion of South Fairland Drive provides access to the subject site from East Twin Lake Drive. The lot abutting to the north of the subject site (Lot 6, Block 4, Springdale Country Club Estates Addition) also has access to South Fairland Drive and East Twin Lake Drive via curved driveway. Vacation of the subject portion of South Fairland Drive will not deprive access from any lot. The portion of South Fairland Drive abutting Lot 6 remains public right-of-way, which maintains access to the subject site from East Twin Lakes Drive.

There is a City water line and City water meter located within the South Fairland Drive right-of-way. City Public Works and Utilities voiced an objection to the vacation of the right-of-way in order to protect access to the water line and water meter for future repairs. The representative for City Public Works and Utilities commented that in residential areas, they often have issues with gated fences that make it difficult to access the utilities in the event of an emergency. If there is a leak in this area, and City Public Works and Utilities is not able to access the leak, they will have to shut-off water farther away, which will effect other residents in the area. The action of the Subdivision Committee was to include a conditions that the required easement to cover the utilities include a clause that prohibits any fence from being constructed in order to provide access to the utilities within the easement at any time. The applicant will be required to dedicate a utility easement over the portion of right-of-way to protect the water line.

City Sewer is located in the platted 30-foot-wide utility easement in the east, abutting Springdale East Addition. Everygy does not object to the vacation. They do not have any lines or equipment in the area. Cox has lines in South Fairland Drive, but they do not object. These lines will be covered by the utility easement. Kansas Gas also has a line in the ROW, but they do not object. The gas line will be covered by the required utility easement.

If the described portion of Fairland Road is vacated, the east side of the subject lot will not be abutting a street, thus its setback would become an interior yard setback. The vacation of the platted 40-foot street side yard setback would become the SF-20 zoning district's minimum interior side yard setback of 10-foot.

Based upon information available prior to the public hearing and reserving the right to make recommendations based on subsequent comments from County Public Works, Water & Sewer, Fire, franchised utility representatives and other interested parties, Planning Staff has listed the following considerations (but not limited to) associated with the request to vacate the portion of the unimproved, platted, 30-foot Fairland Road half street right-of-way and the platted 40-foot setback.

- A. That after being duly and fully informed as to fully understand the true nature of this petition and the propriety of granting the same, the MAPC makes the following findings:
 1. That due and legal notice has been given by publication as required by law, in the Wichita Eagle, of notice of this vacation proceeding one time April 4, 2024, which was at least 20 days prior to this public hearing.

2. That no private rights will be injured or endangered by vacating the described portion of the platted street right-of-way and platted setback and that the public will suffer no loss or inconvenience thereby.
3. In justice to the petitioner, the prayer of the petition ought to be granted.

Conditions (but not limited to) associated with the request:

- (1) Dedicate the described vacated portion of the unimproved, platted, 30-foot Fairland Road half street right-of-way as a utility and drainage easement for utilities. This easement shall contain language prohibiting any fencing at any point in the future by any property owner that would restrict access to any utilities present. These must be provided to Planning prior to the case going to County Commission and subsequent recording with the Register of Deeds. If these are private easements, provide Planning with approval from the participating franchised utility.
- (2) Any relocation or reconstruction of all utilities made necessary by this vacation shall be the responsibility of the applicants and at the applicants' expense shall be to County Standards. If needed provide a private project for relocation of utilities. The approved private project number must be provided to Planning prior to the case going to County Commission and subsequent recording with the Register of Deeds. If these are franchised utilities, provide Planning with approval from the participating franchised utility.
- (3) Provide original restrictive covenant(s) binding and tying the vacated portion of the vacated street right-of-way to applicants' abutting property. These must be provided to Planning prior to the case going to the County Commission and subsequent recording with the Register of Deeds.
- (4) Provide Planning with a legal description of the vacated street on a Word document, via e-mail. This must be provided to Planning prior to the case going to City Council for final action.
- (5) Provide County Fire and Public Works with any needed improvements, per County Standards and at the applicants' expense.
- (6) Per MAPC Policy Statement #7, all conditions are to be completed within one year of approval by the MAPC or the vacation request will be considered null and void. All vacation requests are not complete until the Wichita City Council or the Sedgwick County Board of County Commissioners have taken final action on the request and the vacation order and all required documents have been provided to the City, County and/or franchised utilities and the necessary documents have been recorded with the Register of Deeds.
