DATE: July 10, 1995

TO: Mayor and City Council, through Chris Cherches, City Manager
FROM: Marvin Krout, Director of Planning *MKrout*
SUBJECT: County Zoning Case at K42/Maize

When the City Council was considering the relocation of Tyler Road two weeks ago, questions were raised about any zoning restrictions on the 140 acre parcel north of K42 and east of Maize that the County Commission re-zoned to "E" Light Industrial, to protect nearby residents.

Attached for your information, are the restrictions volunteered by the property owner when the County Commission approved the zoning. Because it is anticipated that this property would be annexed into the City before development occurs, it was proposed that the City of Wichita would accept these restrictions when the plat for this property is approved, and take responsibility for their enforcement.
