

RECOMMENDATION FROM METROPOLITAN AREA PLANNING COMMISSION
TO BOARD OF COUNTY COMMISSIONERS

PROPOSED AGENDA ITEMS : SCZ-0687 - Zone change request from the "R-1" Suburban Residential District to the "AA" One-Family Dwelling District, located in an area north of Central and west of the K-96 Expressway.

PRESENTED BY: Marvin S. Krout, Director of Planning

PROPOSED AGENDA DATE: April 19, 1995.

COMMISSION DISTRICT #1

MAPC Recommendation: Approve, subject to platting within one year (12-0-1).

Staff Recommendation: Approve, subject to platting within one year.

Background/Discussion: On March 23, 1995, the MAPC considered a zone change from the 'R-1' Suburban Residential District to the 'AA' One Family Dwelling District for a 37.1 acre unplatted site located in an area north of Central on the west side of the K-96 Expressway.

In December 1994, the Board of County Commissioners approved a zone change request to 'AA' One Family Dwelling District for 104 acres located north of Central and east of Greenwich Road. Now, the proposed zone change is requested in order to accommodate a residential development in conjunction with the development planned to the west. A preliminary plat (Balthrop Addition) has been filed for the property to the west. The application area is currently used for agricultural purposes and is surrounded by a mixture of agricultural and suburban residential uses. Single family homes are located along the north side of Central between Greenwich and 127th Street East, south of the subject property.

This site currently does not have either municipal water or sewer service. However, both City and County officials indicate that such services can be extended to serve this area in the future. Since the site is located outside the Wichita city limits, the applicant will be required to complete an Outside-The-City Water Agreement for municipal water service.

- Recommended Action:
1. Adopt the findings of fact of the Metropolitan Area Planning Commission and approve the zone change subject to the condition of platting; adopt a resolution establishing the zone change and instruct the Planning Department to withhold publication until the plat has been recorded with the Register of Deeds; or
 2. Return to the Planning Commission for reconsideration.
- (An override of the Planning Commission's recommendation requires a 2/3rd majority vote of the membership of the governing body on first hearing).

Protestors: None.
