Dear Mr. Korber:

At the regular meeting of the Subdivision Committee of the Metropolitan Area Planning Commission, Thursday, November 21, 1985, the above-captioned vacation request was considered. The action of the Committee was to recommend that this vacation be approved subject to:

- A. Any relocation or reconstruction of utilities necessitated by this vacation shall be at the sole expense of the applicant.
- B. All proceedings shall be without cost to the City, County or any utility company.
- C. The applicant shall grant, by separate instrument, the substitute utility easements required to serve the property with sanitary sewer in the future. (The north 15 feet of Lots 3-8 and the south 15 feet of Lots 11-15.)
- D. The applicant shall also grant, by separate instrument, an appropriately wide substitute utility easement adjacent to the west lines of Lots 8 and 11. The applicant shall work with City Engineering in this regard and, once agreement has been reached on the width and location of the needed utility easement, a memorandum shall be obtained for the Planning Department's plat file.
