

Planning Agenda Item # _____

City of Wichita
City Council Meeting
June 15, 1993

Agenda Report # _____

TO: Mayor and City Council Members

SUBJECT: V- 1803; Request to vacate portions of utility easement and building setback, generally located south of Harry and west of Webb.
(District #2).

INITIATED BY: • Metropolitan Area Planning Department

M. Kroat

AGENDA ACTION: Planning

Staff Recommendation: Approve vacation.

MAPC Recommendation: Approve vacation (unanimous).

Background: This is the vacation of portions of pipeline utility easement, and building setback from that easement. Area at one time reserved for pipeline easement through these six lots is no longer necessary. The vacation of easement will increase the amount of buildable space for single-family houses fronting along Stacey. Staff and MAPC have recommended approval because pipeline is not located in the this easement, and as such, related building setbacks are not needed, nor will their vacation adversely affect the public interest.

This vacation has been reviewed and approved by the Planning Commission, subject to conditions and recording within 30 days.

RECOMMENDATIONS/ACTIONS:

Close the public hearing; accept the Easements; approve the vacation; authorize the Mayor to sign the Vacation Order; and record the Easements and certified copy of the Order, recording costs to be billed to:

150029-2909.
