Agenda Report # _____

TO: Mayor and City Council

SUBJECT: PUBLIC HEARING V-1906 REQUEST TO VACATE A UTILITY
EASEMENT LOCATED SOUTH OF 29TH ST. N. AND WEST OF WEBB
(District #5)

INITIATED BY: Metropolitan Area Planning Department

AGENDA ACTION: Planning

Staff Recommendation: Approve vacation of utility easement.

MAPC Recommendation: Approve vacation of utility easement. (13 - 1)

Background: A portion of an existing home was found to be encroaching the utility easement and the vacation is being requested in order to clear the ensuing cloud on the property's title. The applicant is providing three (3) feet of substitute easement from the property to the north. This will again provide a 20 foot easement typically required for easements containing both sanitary sewer and other utilities. City Engineering and the utility representatives of the Subdivision Committee have agreed that this revision in the easement would be acceptable. The vacation request has been reviewed and approved by the Planning Commission, subject to conditions.

Legal Considerations: The City Clerk needs to certify as to proper notification and no filing of written protest.

Recommendations/Actions: Accept the substitute utility easement; close the public hearing; approve the vacation and authorize the Mayor to sign the Vacation Order; and record the certified copy of the Vacation Order and the utility easement; recording costs to be billed to: 150029-2909
