Agenda Report # _____

TO: Mayor and City Council

SUBJECT: PUBLIC HEARING V-1903 REQUEST TO VACATE A PORTION OF A BUILDING SETBACK IN AN AREA NORTH OF CENTRAL AND EAST OF BEBE. (District #5)

INITIATED BY: Metropolitan Area Planning Department

AGENDA ACTION: Planning

Staff Recommendation: Approve vacation subject to limiting access on Central to one driveway.

MAPC Recommendation: Approve vacation of building setback. (7 - 5)

Background: This case was originally heard and approved by the City Council April 25, 1995. However, a proper publication of the legal notice did not take place and a rehearing of the case is necessary. As noted previously, this vacation of a portion of a platted building setback is being requested to allow for construction of a banking drive through facility. As a condition of the vacation it was recommended that the site be limited to the one opening presently in use for access out to Central. Two openings were originally platted, however, out to Central. At the April 25, 1995 Council's review of this case the vacation of the setback was approved without requiring a limitation on the site's access to one opening. The vacation request has been reviewed and approved by the Planning Commission, subject to conditions.

Legal Considerations: The City Clerk needs to certify as to proper notification and no filing of written protest.

Recommendations/Actions:

Close the public hearing; approve the vacation as recommended by the Planning Commission; authorize the Mayor to sign the Vacation Order; and record the certified copy of the Vacation Order; recording costs to be billed to: 150029-2909
