Agenda Report #_____

TO: Mayor and City Council

SUBJECT: PUBLIC HEARING V-1882 REQUEST TO VACATE A PORTION OF A BUILDING SETBACK IN AN AREA WEST OF TYLER AND SOUTH OF MAPLE (District #5)

INITIATED BY: Metropolitan Area Planning Department

AGENDA ACTION: Planning

Staff Recommendation: Approve vacation of building setback.

MAPC Recommendation: Approve vacation of building setback. (unanimous)

Background: Rather than the present day sideyard setback of 15-feet, this property was platted with a 30-foot setback to Tyler Road. This property also has a 30-foot front yard setback to Tippecanoe. The applicant is requesting the vacation in order to provide additional area needed for construction of a detached garage. City Engineering and the utility representatives of the Subdivision Committee have indicated that no utilities are impacted by the vacation. As a condition of the vacation, the applicant has agreed to dedicate complete access control to Tyler from this lot and also is granting two (2) additional feet of utility easement along the lot's south line. The vacation request has been reviewed and approved by the Planning Commission, subject to conditions.

Legal Considerations: The City Clerk needs to certify as to proper notification and no filing of written protest.

Recommendations/Actions: Accept the dedications of access control and utility easement; and close the public hearing; approve the vacation; authorize the Mayor to sign the vacation order; record the Certified copy of the vacation order; the dedication of access control and the utility easement; recording costs to be billed to: 150029-2909
