(District #2)

**INITIATED BY:** Metropolitan Area Planning Department

**AGENDA ACTION:** Planning

---

Staff Recommendation: Approve vacation of a utility easement.

MAPC Recommendation: Approve vacation of a utility easement. (unanimous)

Background: The applicant desires to vacate a utility easement in order to create a larger buildable area among the involved lots through a boundary shift. City Engineering and the representatives of the utilities on the Subdivision Committee have indicated that the utilities have been installed outside of the area of easement being requested for vacation and no harm should result due to this vacation. The vacation request has been reviewed and approved by the Planning Commission, subject to conditions.

Legal Considerations: The City Clerk needs to certify as to proper notification and no filing of written protest.

Recommendations/Actions: Close the public hearing, approve the vacation; authorize the Mayor to sign the Vacation Order; and record the certified copy of the Vacation Order; recording costs to be billed to: 150029-2909
