Agenda Report # _____

TO: Mayor and City Council

SUBJECT: PUBLIC HEARING V-1982 REQUEST TO VACATE A BUILDING
SETBACK LOCATED IN AREA SOUTH OF MAPLE AND WEST OF
TYLER.
(District # 5)

INITIATED BY: Metropolitan Area Planning Department *ME*

AGENDA ACTION: Planning

Staff Recommendation: Approve vacation of building setback.

MAPC Recommendation: Approve vacation of building setback. (unanimous)

Background: The applicant desires to vacate a portion of a platted building setback in order to clear the title of the property for an encroachment. An accessory structure was constructed assuming a 15-foot building setback from Callahan when the property (corner lot) had been platted with 30-foot building setbacks from Callahan and Cheryl. The applicants property was also platted with only 8 feet (half of a 16 foot easement) or two feet less than the standard easement when sanitary sewer lines are involved. Therefore, the applicant has provided an additional easement of two feet along the existing easement. No objections have been received from nearby property owners. No utilities or other public facilities will be impacted by the vacation. The vacation request has been reviewed and approved by the Planning Commission, subject to conditions.

Legal Considerations: The City Clerk needs to certify as to proper notification and no filing of written protest.

Recommendations/Actions:

Close the public hearing, approve the vacation and accept the dedication authorize the Mayor to sign the Vacation Order; and record the certified copy of the Vacation Order and the dedication recording costs to be billed to: 150029-2909
