Agenda Report # _____

TO: Mayor and City Council

SUBJECT: PUBLIC HEARING V-2063 REQUEST TO VACATE STREET RIGHT-OF-WAY LOCATED IN AN AREA WEST OF MERIDIAN SOUTH OF MAY STREET.
(District #4)

INITIATED BY: Metropolitan Area Planning Department *Mon*

AGENDA ACTION: Planning

Staff Recommendation: Approve vacation of street right-of-way.

MAPC Recommendation: Approve vacation of street right-of-way. (unanimous)

Background: The applicant, who owns all of the property adjacent to Orient Boulevard in Blocks 4 and 6 of Southwest Industrial Addition, wishes to vacate the undeveloped street right-of-way for Orient Boulevard between May Street and Sheridan Street. There is also a tract of land labeled as an easement for a railroad spur adjacent to the northwest side of proposed Orient Boulevard, as well as platted railroad spur easements that run north/south through the center of all the blocks in this subdivision. The adjacent former Santa Fe railroad line is an active line currently operated by the Central Kansas Railway Company. In addition, the plat of Southwest Industrial Addition shows rail spur easements coming from the former Santa Fe line and extending south in the middle of all the blocks in the subdivision. The intent was to construct spur lines that could serve each of the lots within the industrial development. The eastern track easement in Blocks 1 and 2 was vacated in 1959. The other spur easements remain in effect.

The applicant proposes to develop the land, including the vacated Orient Boulevard, as a single tract or, if needed, by reconfiguring the lots through a replat. Regardless, the applicant feels no need for this street and that the land involved would be better utilized as part of the developable lot. As shown, the vacation would also result in Custer Street (also an undeveloped street) being a dead-end at Orient Boulevard. The applicant has provided dedication of a cul-de-sac for Custer Avenue.

The Subdivision/Utility Committee recommended the request to vacate Orient Boulevard between May Avenue and Sheridan Avenue be approved subject to the following conditions:

- A. Applicant provide, by separate instrument, dedication of a cul-de-sac at the north end of Custer Avenue meeting the requirements of the Subdivision Regulations.
- B. Retain that portion of Orient Boulevard used as track easement for the rail spur serving Block 4, Southwest Industrial Addition to the City of Wichita, Sedgwick County, Kansas.
- C. Any relocation or reconstruction of utilities made necessary by this vacation shall be the responsibility of the applicant.

The MAPC recommended approval of the Subdivision/Utility Committee recommendation. No members of the public spoke in opposition to this request.

Since the conclusion of the MAPC review, staff has further evaluated this case and determined an affidavit from the applicant assuring there will be no protest of future assessments for the paving of Custer Avenue is needed. That is being provided as well.

Recommendations/Actions:

Close the public hearing, approve the vacation; authorize the Mayor to sign the Vacation Order; accept the dedication of the cul-de-sac for Custer Avenue; record the certified copy of the Vacation Order, the dedication of the cul-de-sac for Custer Avenue, and the affidavit; recording costs to be billed to: 150003-2909
