Agenda Report # _____

TO: Mayor and City Council

SUBJECT: PUBLIC HEARING V-2060 REQUEST TO VACATE PORTION OF A PLATTED BUILDING SETBACK LOCATED IN AN AREA AT THE SOUTHWEST CORNER OF SUNSET AND EMERSON, NEAR 13TH STREET NORTH AND EAST OF TYLER.
(District #5)

INITIATED BY: Metropolitan Area Planning Department

AGENDA ACTION: Planning

Staff Recommendation: Approve vacation of a portion of a platted building setback.

MAPC Recommendation: Approve vacation of a portion of a platted building setback.
(unanimous)

Background: The applicant proposes to construct a 3rd bay onto the existing garage on his property, extending as close as 10 feet to the right-of-way line for Emerson Avenue. The lot was platted with a 25-foot building setback along Emerson Avenue, which was intended to be the front yard. The residence constructed on the property faces Sunset Drive but honors the building setback along Emerson Avenue. The applicant has constructed a solid wood fence that encloses more than the area proposed for the addition onto the garage.

The residences to the south along Emerson Avenue are built at the 25-foot building setback line. However, Emerson Avenue curves to the north and east as it approaches Sunset Drive from the south, so the addition onto the garage is less intrusive into the front yard area than would be expected if the Emerson Avenue stayed on a straight course.

The Subdivision/Utility Committee recommended the request to vacate a portion of the platted building setback be approved subject to the following conditions:

- A. Any relocation or reconstruction of utilities made necessary by this vacation shall be the responsibility of the applicant.

The MAPC recommended approval of the Subdivision/Utility Committee recommendation. No members of the public spoke in opposition to this request.

Recommendations/Actions: Close the public hearing, approve the vacation; authorize the Mayor to sign the Vacation Order; record the certified copy of the Vacation Order, recording costs to be billed to: 150003-2909
