Agenda Report # _____

TO: Mayor and City Council

SUBJECT: PUBLIC HEARING V-2044 REQUEST TO VACATE ACCESS CONTROL
LOCATED IN AN AREA NORTHWEST CORNER OF 35TH STREET NORTH
AND WEBB ROAD.
(District #2)

INITIATED BY: Metropolitan Area Planning Department

AGENDA ACTION: Planning

Staff Recommendation: Approve vacation of access control.

MAPC Recommendation: Approve vacation of access control. (unanimous)

Background: The applicants are constructing the Kansas Heart Hospital on Webb Road. As part of the site design it was determined that traffic circulation would be better served if the access onto Webb Road could be increased from one driveway to two driveways to accommodate the new design. There is considerable regrading of the property to support the design of the hospital.

The Subdivision Committee and MAPC reviewed and approved the vacation request. No members of the public addressed the MAPC in opposition to this request.

Recommendations/Actions: Close the public hearing, approve the vacation; authorize the Mayor to sign the Vacation Order; and record the certified copy of the Vacation Order; recording costs to be billed to:
