Agenda Report #_____

TO: Mayor and City Council

SUBJECT: PUBLIC HEARING V-2084 REQUEST TO VACATE A PORTION OF A FLOOD CONTROL EASEMENT LOCATED IN AN AREA NORTH OF CENTRAL AVENUE AND EAST OF RIDGE ROAD ALONG THE EAST SIDE OF SILVER SPRINGS BOULEVARD
(District #5)

INITIATED BY: Metropolitan Area Planning Department

AGENDA ACTION: Planning

Staff Recommendation: Approve vacation of a portion of a flood control easement.

MAPC Recommendation: Approve vacation of a portion of a flood control easement. (unanimous)

Background: The applicant is proposing to vacate a portion of a Flood Control Easement in the Silver Springs Addition in order to accommodate the construction of the parking area for the new apartment complex proposed for the site. The applicant has submitted an easement agreement that stipulates, among other site improvements to be made, an access easement across the apartment property for accessibility to the flood control structures.

This project is the next phase of the development of DP-26, now known as Crown Chase. It is the same general property that involved the recent vacation of access controls along Ridge Road. This vacation, along with the previous vacation and other requests of the applicant with respect to this project, will require several adjustments to the CUP, which must also be completed before the project proceeds further.

The Subdivision Committee and MAPC recommended approval of the vacation subject to the following:

A. The applicant provide an access easement to the City as stipulated in the Easement Agreement with the City as negotiated by the Storm Water Management Division of the Public Works Department.

B. Any relocation or reconstruction of utilities made necessary by this vacation shall be the responsibility of the applicant.

No members of the public spoke in opposition to this request.

Legal Considerations: The City Clerk needs to certify as to proper notification and no filing of written protest.

Recommendations/Actions: Close the public hearing, approve the vacation; authorize the Mayor to sign the Vacation Order; approve the easement agreement; accept the dedication of the access easement; and record the certified copy of the Vacation Order, the easement agreement, and the easements.
