AGENDA ACTION: Planning

Staff Recommendation: Approve vacation of a portion of a 35 foot building setback.

MAPC Recommendation: Approve vacation of a portion of a 35 foot building setback.
(unanimous)

Background: The applicant is requesting to vacate a portion of a 35 foot building setback to allow for the construction of an ATM. The applicant has provided a hold harmless agreement with the City to allow for the construction of an ATM in the 20 foot wide utility easement. The Board of Zoning Appeals has approved a variance to reduce a portion of the front yard setback 20 feet to 10 feet.

Public Works has reviewed and approved this request. The Subdivision Committee and MAPC have approved the vacation of this building setback. No one spoke in opposition to the request.

Legal Considerations: The City Clerk needs to certify as to proper notification and no filing of written protest. A certified copy of the Vacation Order will be recorded with the Register of Deeds.

Recommendations/Actions: Close the public hearing; and approve the Vacation Order and authorize the Mayor to sign.
