Agenda Report # \_\_\_\_\_

TO: Mayor and City Council

SUBJECT: V-2178 - REQUEST TO VACATE STREET RIGHT-OF-WAY  
LOCATED IN AN AREA NORTH OF MURDOCK AND EAST OF  
TOPEKA.  
(District VI)

INITIATED BY: Metropolitan Area Planning Department

AGENDA ACTION: Planning

-----  
Staff Recommendation: Approve vacation of street right-of-way.

MAPC Recommendation: Approve vacation of street right-of-way. (unanimous)

Background: The applicant is requesting to vacate the northernmost 167 feet of Emporia Circle to allow for a parking lot and also to provide better access to the new emergency center for Via Christi St. Francis. The applicants own both sides of the vacated right-of-way, and the vacated roadway will revert back to St. Francis Hospital.

The applicants agent has stated that in the future there will be a request to vacate Emporia Circle adjacent to Lot 1, Block 2, St. Francis Regional Medical Center and maybe the remainder of Emporia to Murdock. However at this time, the applicant only needs the area being requested to be vacated.

No one spoke in opposition to this request at the MAPC's advertised public hearing, and the MAPC voted to approve the vacation, adopting the findings of fact that are incorporated in the Vacation Order subject to the applicant providing a temporary easement until such time the water line is abandoned, the applicant relocating the existing sprinkler system and any other facilities as required in a matter deemed appropriate by the City of Wichita Fire Department.

The applicant has submitted a temporary easement for the water line which will be abandoned and the City of Wichita Fire Department has approved this request. No written protests have been filed.

Legal Considerations: A certified copy of the Vacation Order will be recorded with the Register of Deeds.

Recommendations/Actions: Follow the recommendation of the Metropolitan Area Planning Commission and accept the temporary water line easement, approve the Vacation Order, and authorize the Mayor to sign.
