AGENDA: Planning

Staff Recommendation: Approve.

MAPC Recommendation: Approve. (unanimous)

Background: The applicant proposes vacation of the current complete access control along the 13th Street North side of Lot 8, The Waterfront Addition and vacation of the uses of Reserve H. The Waterfront Addition was recorded 01-24-2003.

Analysis: Currently there is 371.76-feet of complete access control along east side of Lot 8's 13th Street North frontage. The west end of Lot 8's 13th Street North frontage has 60-feet of right-in – right-out access onto 13th Street North. The applicant proposes 200-feet of complete access control along the east side of Lot 8's 13th Street North frontage, with the remaining west 231.76-feet of Lot 8's 13th Street North frontage having one opening of right-in – right-out. The size and location of this access within the 231.76-feet has not been specified. Reserve H was platted for monuments, landscaping, irrigation, and open space. Reserve H is located on the southeast corner of Lot 8 and is confined within the intersection of two 25-foot utility easements.

No one spoke in opposition to this request at the MAPC's advertised public hearing, and the MAPC voted to approve the vacation, adopting the findings of fact that are incorporated in the Vacation Order. No written protests have been filed.
