City Council Meeting

Agenda Report No.

TO: Mayor and City Council

SUBJECT: VAC2003-00026 REQUEST TO VACATE EASEMENTS LOCATED
SOUTHEAST OF LINCOLN STREET AND BROADWAY STREET.
(District I)

INITIATED BY: Metropolitan Area Planning Department *JLS*

AGENDA: Planning (Consent)

Staff Recommendation: Approve.

MAPC Recommendation: Approve. (unanimous)

Background: The applicant is requesting consideration to vacate that portion of the easement abutting the Reserve of Zimmerly's 2nd Addition from Topeka Avenue to Emporia Avenue and abutting Lots 17 and 18, Zimmerly's 2nd Addition and abutting Lots 17 through 34, inclusive, Zimmerly's 2nd Addition. . The Zimmerly's 2nd Addition was recorded with the Register of Deeds in 1891.

Analysis: Because of a future encroachment, by proposed expansion of Lincoln Elementary, the easements are proposed to be vacated and maintained as a private sewer line. The easements were retained by the vacation of what was then a west to east alley connecting Emporia and Topeka and a north to south alley intersecting the east to west alley on the north and intersecting Bayley Street on the south; VAC-0525. The applicant owns all abutting properties. There is sewer and a manhole at approximately the point of intersection of the two easements and the length of the north to south easement. There is no water or other utilities in the easement. Portions of the USD 259 property are within a Historical Environs.

No one spoke in opposition to this request at the MAPC's advertised public hearing, and the MAPC voted to approve the vacation, adopting the findings of fact that are incorporated in the Vacation Order. No written protests have been filed.

Financial Considerations: None

Legal Considerations: A certified copy of the Vacation Order and a private sewer line agreement will be recorded with the Register of Deeds.

Recommendation/Actions: Follow the recommendation of the Metropolitan Area Planning Commission and approve the Vacation Order, and authorize the necessary signatures.

STAFF REPORT

CASE NUMBER: VAC2003-00028: Request to vacate a portion of a plat

OWNER/APPLICANT: Robert B Tofoya
Jody R Tofoya
Robert R & Gloria J Tofoya

LEGAL DESCRIPTION: Lots 4, 5, 6, 7, 8 & 9, Block 12, Lots 11, 12, & 13, Block 7 and Lots 8, 9, 10, Block 6, all in the Bayneville Addition

LOCATION: Generally located between 71st Street South & 79th Street South, southwest of the Tyler Road (87th Street West) RR ROW intersection, in Sedgwick County.

REASON FOR REQUEST: Simplify tax records

CURRENT ZONING: Subject property and properties all around are zoned "RR" Rural Residential.

VICINITY MAP:

The applicants are requesting consideration for the vacation of a portion (as described in the legal description) of the Bayneville town plat. Documentation filed with the Country, shows that approximately 2/3rds of the Bayneville plat was vacated 03-20-1915. The reason given, at that time, was that the land was being used for agriculture, which did not reflect the plat's intention of

this being a town. The applicants have noted that the use and condition of the land at this site has changed little since that time and have stated that the vacation will simplify their tax records, which currently has separate documentation for their unplatted tracts (vacated 1915) and their platted property. The property proposed for vacation abuts the applicants' tracts, where they currently live. The Bayneville Addition was recorded with the Sedgwick County in 1884. The site is located in an unincorporated part of Sedgwick County and outside the 3-mile ring.

There is no water or sewer at the sites, nor does a Rural Water District serve the sites. The applicants have been advised future development on the vacated sites could require platting.

Based upon information available prior to the public hearings and reserving the right to make recommendations based on subsequent comments from County Public Works and other utility representatives, Planning Staff recommends approval to vacate that portion of the Bayneville plat as described in the legal description with conditions.

- A. County Public Works needs to comment on the acceptability of this vacation and if any guarantees, substitute easements and/or dedications should be required.
- B. Utility Representatives need to comment on the acceptability of this vacation and if any guarantees, substitute easements and/or dedications should be required.
- C. If recommended, any relocation or reconstruction of utilities made necessary by this vacation shall be the responsibility of the applicant.
- D. If recommended, all improvements shall be according to County Standards.
