Agenda Report No.

TO: Mayor and City Council

SUBJECT: VAC2003-00010 REQUEST TO VACATE A PORTION OF A PLATTED DRAINAGE - UTILITY EASEMENT LOCATED SOUTHWEST OF THE KELLOGG STREET - WOODLAWN BOULEVARD INTERSECTION.
(District II)

INITIATED BY: Metropolitan Area Planning Department *DM*

AGENDA: Planning

Background: The applicant is requesting that a 10-foot wide (x) 60-foot long portion of a 105-foot (east end) to 80-foot (west end) wide platted drainage-utility easement be vacated. The applicant proposes to build 40-foot (x) 25-foot freestanding building in the encroached area, which is on Lot 14, Block E, AJ Christman 3rd Addition. The AJ Christman 3rd Addition was recorded 08-27-1953.

Analysis: The 35- foot portion of the platted easement runs parallel to the north property line of Lot 14, Block E, AJ Christman Addition, 6340 Eastwood Avenue. The applicant is proposing to build a as part of expansion of the existing church. There is drainage pipe in the easement, but no sewer at this location. There is no water or other utilities located in the easement. Storm Water Management recommends vacation of the easement only where there is an encroachment into it as given in the the metes and bounds legal description.

There was one spoker in opposition to this request at the MAPC's advertised public hearing. The MAPC noted that the speaker's opposition was to the proposed aesthetics of the building and not the encroachment. The MAPC informed the speaker that Storm Water Management had instructed Staff and the MAPC that the proposed encroachment would not adversely effect the drainage of the area. The MAPC voted to approve the vacation, adopting the findings of fact that are incorporated in the Vacation Order. No written protests have been filed.

Legal Considerations: A certified copy of the Vacation Order will be recorded with the Register of Deeds.

Recommendation/Actions: Follow the recommendation of the Metropolitan Area Planning Commission and approve the Vacation Order, and authorize the necessary signatures.
