Staff Recommendation: Approve vacation of railroad easement.

MAPC Recommendation: Approve vacation of railroad easement. (unanimous)

Background: The applicants are requesting consideration to vacate portions of platted Railroad Easement along a number of lots in the Comotara Industrial Park 5<sup>th</sup> Addition. The easement varies in its width from 60-to 20-feet. The easement has not been developed. Other portions of the easement were vacated previously as part of a replat. There is Railroad Easement remaining on 3 lots to the north which has not been vacated. North of 35<sup>th</sup> Street North there is track owned by the City of Wichita. There are no known plans for the extension of the Rail Road tracks. The Railroad easement is not owned by the or other railroad.

No one spoke in opposition to this request at the MAPC's advertised public hearing, and the MAPC voted to approve the vacation, adopting the findings of fact that are incorporated in the Vacation Order. No written protests have been filed.

Legal Considerations: A certified copy of the Vacation Order will be recorded with the Register of Deeds.

Recommendations/Actions: Follow the recommendation of the Metropolitan Area Planning Commission and approve the Vacation Order, and authorize the necessary signatures.
