TO: Mayor and City Council

SUBJECT: **VAC2002-00025 - REQUEST TO VACATE A PORTION OF A
PLATTED ALLEY, GENERALLY LOCATED NORTHWEST
OF THE ZOO BOULEVARD - CENTRAL AVENUE
INTERSECTION.**
(District IV)

INITIATED BY: Metropolitan Area Planning Department *DM*

AGENDA ACTION: Planning

Staff Recommendation: Approve

MAPC Recommendation: Approve (unanimous)

Background: The applicant is requesting the west 259.50-feet of the platted 20-ft alley be vacated. The applicant proposes to pave both the alley and his properties abutting it on the north and south sides. There are utilities in the alley. Reversion of the alley to private property will be to the property north and south of the alley, both which are owned by the applicant.

Both the Fire Department and the Traffic Engineer did have conditions that the applicant had to meet for the alley to be vacated. The Fire Department required that the alley have either siren operated gates or Knox Box gates installed at both ends. Gates must have a reflective material, to be visible at night, placed the width of them. Signage to be approved by the Fire Department. The applicant must post a sign at the east-Zoo Boulevard-N Sheridan Ave intersection advising that this is not a through alley. Sign must be made of reflective material, to be visible at night, and the Traffic Engineer must approve the size, type and placement. The applicant has obtained pre-installation approval of these conditions, by purchasing the needed Knox Box lockage, per Fire, and submitted proposed/approved signage to Traffic

No one spoke in opposition to this request at the MAPC's advertised public hearing, and the MAPC voted to approve the vacation, adopting the findings of fact that are incorporated in the Vacation Order. No written protests have been filed.
