TO: Mayor and City Council

SUBJECT: ZON2010-00023 – City zone change from MF-29 Multi-family Residential (“MF-29”) to NR Neighborhood Retail (“NR”); generally located northeast of the intersection of Roosevelt Street and Ross Parkway. (District III)

INITIATED BY: Metropolitan Area Planning Department *JLS*

AGENDA: Planning (Consent)

DAB III Recommendation: Approve, (vote 11-0).

MAPC Recommendation: Approve, (vote 12-0).

MAPD Staff Recommendation: Approve.

Background: The applicant, Brookside United Methodist Church, requests a zone change from MF-29 Multi-Family Residential ("MF-29") to NR Neighborhood Retail ("NR") on a 2.82-acre platted tract located northeast of the intersection of South Roosevelt Street and East Ross Parkway, or midway between Oliver and Hillside, south of Pawnee.

The subject site is currently being used for a church/place of worship, and according to the County Appraisers Office, has been operated as such since the late 1950's. The applicant proposes to expand the existing clothing ministry and healthcare ministry to better serve church parishioners and other members of the surrounding neighborhood. The proposed expansion would add approximately 1,200 square feet for the clothing ministry and approximately 3,600 square feet for the healthcare ministry.

The surrounding area is characterized by commercial and multi-family residential uses. The property to the east is zoned MF-29 and is developed with triplexes. The property to the west is zoned GC General Commercial ("GC") and is developed with a warehouse facility. The property to the north is zoned MF-29 and is currently undeveloped open space/parkland. The property to the south is zoned GC and is developed as a warehouse-distribution facility.

Analysis: On Monday, June 21, 2010, an electronic request was sent to the 11 District III Advisory Board members asking them to consider the request for ZON2010-00023. The DAB members voted (11-0) to accept the recommendation of staff for approval.

At the MAPC meeting held July 22, 2010, the MAPC voted (12-0) to recommend approval of the request for NR zoning. The case was approved by consent, and there was not any one from the public to speak for or against the application.

Financial Considerations: None.

Goal Impact: Promote Economic Vitality

Legal Considerations: The ordinance has been reviewed and approved as to form by the Law Department.

Recommendation/Actions:

1. Adopt the findings of the MAPC, approve the zone change and place the ordinance on first reading;

(An override of the Planning Commission's recommendation requires a two-thirds majority vote of the City Council on the first hearing.)
