City of Wichita
City Council Meeting
July 12, 2011

TO: Mayor and City Council

SUBJECT: ZON2011-00011 – City zone change from SF-5 Single-Family Residential to TF-3 Two-Family Residential; generally located north of 47th Street South, midway between Meridian Avenue and the Big Ditch. (District IV)

INITIATED BY: Metropolitan Area Planning Department *JLS*

AGENDA: Planning (Non-Consent)

MAPC Recommendation: Approve (10-0).

MAPD Staff Recommendation: Approve.

Background: The applicant requests a zone change from SF-5 Single-Family Residential (“SF-5”) to TF-3 Two-Family Residential (“TF-3”) on Lots 11-41 (all), Block B, and Lots 1-18 (all), Block D, all in the Angel Fire Addition. The applicant proposes to build duplexes on these lots. The site’s subdivision is currently zoned both SF-5 and TF-3 and is partially developed with single-family residences and duplexes.

The area is located on the edge of the Wichita city limits, with a mix of uses and zoning around it. There is a large (approximately 80 acres) MH Manufactured Housing (“MH”) zoned manufactured home park abutting the north side of the subject lots and their subdivision. There is also a developed SF-5 zoned subdivision abutting the northeast corner of the site’s subdivision. An adjacent portion (30 lots, located south and west of the site) of the site’s subdivision is zoned TF-3 (ZON2000-49) and is being developed with duplexes. Abutting and adjacent eastern and southern portions of the site’s subdivision are developed as SF-5 zoned residences. East of the site’s subdivision there is undeveloped SF-20 Single-Family Residential (“SF-20”) zoned land. South of 47th Street South are SF-20 and SF-5 zoned subdivisions, a few large tract residences and undeveloped land. There are undeveloped LC Limited Commercial (“LC”) zoned tracts on the northeast and southeast corners of West St. and 47th Street South. There is an LC zoned residence and night club on the southwest corner of West St. and 47th Street South. The northwest corner of 47th Street South and West St. is the south end of an extensive area of LI Limited Industrial (“LI”) zoned developments, with the Sedgwick County maintenance yard being located on this south end. The subject lots are located in the Angel Fire Addition, which previously had 30 lots rezoned from SF-6 Single-Family Residential (SF-6 is now SF-5 zoning) to TF-3; ZON2000-49, January 23, 2001, thus the request does not introduce TF-3 zoning into the area.

Analysis: At the MAPC meeting held March 26, 2011, the MAPC voted (10-0) to approve the request. There were no protests at the MAPC’s hearing. Staff has received two (2) protests, both outside the 200-foot protest area but as such having appeal standing (see attached protest map). A simple majority of the Wichita City Council is needed to approve the zoning request.

Financial Considerations: All improvements will be to City standards and at the applicant’s expense.

Goal Impact: The application supports the City’s goal to promote Economic Vitality.

Legal Considerations: The ordinance has been reviewed and approved as to form by the Law Department.

Recommendation/Actions:

1. Adopt the findings of the MAPC and approve the zone change, authorize the Mayor to sign the ordinance and place the ordinance on first reading (simple majority required); or
2. Deny the zone change request by making alternative findings, and override the MAPCs recommendation (two-thirds majority vote required); or
3. Return the application to the MAPC for further consideration (simple majority vote required).
