TO: Mayor and City Council
SUBJECT: ZON2011-00036 – City zone change from GC General Commercial (“GC”) to SF-5 Single-family Residential (“SF-5”) generally located northwest of the intersection of East 11th Street and North Ohio Street (District I)
INITIATED BY: Metropolitan Area Planning Department *JLS*
AGENDA: Planning (Consent)

MAPC Recommendation: Approve, vote (10-0).

DAB IV Recommendation: Approve, vote (9-0).

MAPD Staff Recommendation: Approve.

Background: The 0.15-acre tract, a part of HO Burleighs 3rd Addition, is located northwest of the intersection of North Ohio and East 11th Street. The subject site is currently zoned GC General Commercial (“GC”) and the applicant is requesting a rezone to SF-5 Single-family Residential (“SF-5”) for the development of a single-family residence. The site is currently undeveloped, and is within a residential neighborhood, surrounded by single-family residences. The current zoning of the property and surrounding uses make this site undesirable for uses that are allowed in the GC zone district.

All surrounding property is zoned SF-5, and are developed with single-family residences, except for the property east of the subject site, across North Ohio Street, which is developed with a church.

Analysis: At the District I Advisory Board meeting on Monday, December 5, 2011, the DAB voted 9-0 to approve the request. Concerns included; any impact on historical sites in the area, are all adjacent properties single-family residential and if the property would have a basement size the lot size is small.

At the MAPC meeting held December 8, 2011, the MAPC voted on consent (10-0) to recommend approval of the request for SF-5 zoning.

No protests have been received during the subsequent two-week protest period.

Financial Considerations: There are no financial considerations in regards to the zoning request.

Goal Impact: The application will promote Economic Vitality.

Legal Considerations: The ordinance has been reviewed and approved as to form by the Law Department.

Recommendation/Actions:

1. Adopt the findings of the MAPC and approve the zone change and authorize the Mayor to sign the ordinance and place the ordinance on first reading (simple majority required).

(An override of the Planning Commission’s recommendation requires a two-thirds majority vote of the City Council on the first hearing.)
