RE: CUP2015-29 – City CUP Administrative Adjustment to DP-313 to increase the size of the wall mounted letters from two-feet to three-feet sign for Parcel 9; generally located on the east side of E. 127th Street N. and south of Central Avenue (338 N 127th Street).

Dear Applicants:

We received and reviewed your request for an Administrative Adjustment to DP-313, Parcel 9, General Provision #4 (F), of the Parker Addition Community Unit Plan ("CUP"). We understand that you wish to increase the height of the wall mounted letters on three elevations of Life Church building.

On the basis of our review, we find that adjusting the CUP in the manner stated above is consistent with the approved CUP and will not have an adverse effect on the CUP or adjacent properties, nor will it be a substantial deviation of the original plan.

Our signatures below indicate that the CUP shall be adjusted as stated in this letter. This CUP adjustment shall not be deemed to alter any other provisions of the CUP except as expressly stated herein. This approval is subject to the following conditions:

1. The sign shall be permitted and installed within one year.
2. The wall mounted letters shall be limited to three-feet in height.
3. This Administrative Adjustment applies only to the three wall mounted signs on Life Church building on Parcel 9 in CUP DP-313.

The "Development Application" sign should now be removed from the property.

RE: CUP2014-00022 - City CUP administrative adjustment to DP-313 to revise Provision 21 of the Parker Addition Community Unit Plan (CUP) DP-313 generally located north of East Central Avenue and west of North 127th Street East, platted as the Portofino Addition.

Dear Applicants:

We received and reviewed your request for an administrative adjustment to DP-313, the Parker Addition CUP. Currently General Provision 21 states, in part: "Buildings in parcels along the arterial street should be sited with a primary building façade along the street and no more than driving isle." We understand that you wish to modify the preceding requirement to state: "Commercial retail and office buildings in parcels along the arterial streets should be sited with a primary building façade along the street and no more than one driving isle." All other provisions or sentences within General Provision 21 are to remain the same.

On the basis of our review, we find that adjusting the CUP in the manner stated in the above paragraph is consistent with the approved CUP and will not have an adverse effect on the CUP or on adjacent properties, nor will it be a substantial deviation of the original plan.

Our signatures below indicate that the CUP shall be adjusted as stated in this letter. This CUP adjustment shall not be deemed to alter any other sentences within General Provision 21 or any other provisions of the CUP except as expressly stated herein.

The "Development Application" signs may now be removed from the property. The submitted copies of the revised CUP will now be posted as the official CUP document.

RE: City Administrative Adjustment (CUP2014-00028) to modify the configuration of Parcels 8 and 9, create a Reserve A and re-allocate development standards of Parcels 8 and 9 of the Parker Addition Community Unit Plan (CUP) DP-313 to match the Life Church Addition re-plat of the previously mentioned parcels located at the southeast corner of East Central Avenue and North 127th Street.

Currently that portion of CUP DP-313 located at the southeast corner of East Central Avenue and North 127th Street contains Parcels 8 and 9. Parcels 8 and 9 are in process to be re-platted (Life Church Addition) into Lots 1 and 2 and Reserve A. The applicant proposes to reconfigure existing CUP Parcels 8 and 9 to match the proposed platted lots and reserve, and to re-allocate the development standards associated with those two parcels. Parcel 8 will be reduced in size from 231,202 square feet to 173,435 square feet while Parcel 9 will go from 389,117 square feet to 340,636 square feet. Reserve A is to contain 96,279 square feet, and allow utilities, drainage improvements, signage and landscaping. All other development standards for Parcels 8 and 9 remain unchanged.

The applicant is asking to adjust CUP DP-313 to adjust the street, lot and reserve layouts as described above and shown on the revised CUP drawing submitted with CUP2014-00028.

We have reviewed your request and have approved the requested adjustment as described above and shown on the revised CUP drawing submitted with CUP2014-00028, subject to the completion of the Life Church plat within one year.

All other applicable development standards shall apply unless specifically adjusted or amended.

Except as expressly stated above, this adjustment shall not be deemed to alter any other provisions of the CUP.

The zoning notification signs may now be removed from the property.

Dear Ladies and Gentlemen:

At its regular meeting on **January 22, 2015**, the Wichita - Sedgwick County Metropolitan Area Planning Commission (MAPC) considered the above captioned request. The action of the MAPC was to **APPROVE** the request to permit a convenience store on Parcel 8 of DP 313 subject to:

1. The recording of a plat perfecting the southeastern portion of the earlier approved but unperfected zone change (ZON2008-00021) and CUP DP 313 (CUP2008-00015).
2. Submission of four copies of the approved Cup within 60 days of final approval (if necessary) or the amendment shall be deemed null and void.
3. This amendment does not modify any other provisions of the CUP.

Property owners opposed to the application may file with the City Clerk signed written appeals of the MAPC's recommendation. (Unsigned e-mails are not considered to be legal appeals.) To be effective, the appeals must be filed by 5:00 p.m. on February 5, 2015. In order to be considered a "valid" petition, the signatures must reflect the correct and entire ownership of the property, the property must be at least partially located within 200 feet of the property for which the application was filed, and must be submitted to the City Clerk by February 5, 2015 at 5:00 p.m.

If there are not any appeals filed, the action of the MAPC is final.

NOTICE: The public hearing on planning items is conducted by the MAPC under provisions of State Law. Adopted policy is that the City Council will not take additional testimony on zoning related

applications and other issues for which the MAPC has held a public hearing. However, interested parties may file a written statement with the City Clerk by 5:00 p.m. on the Wednesday preceding this meeting, providing new facts on the issue or alleging an unfair hearing.
