RE: Administrative Adjustment (BZA2014-00030) to PO-13 to revise the approved conditions of PO-13 for Lot 4, Block 1, Regency Park Addition, Wichita, Sedgwick County, Kansas. This property is generally located on E. 28th Street west of the intersection of E. 28th Street N. and N. Greenwich Road (11024 E 28th Street N.)

Dear Applicant:

Currently, PO-13 allows permitted use for Boarding/Breeding/Training and Hobby Kennels in "LP" – Limited Industrial zoning districts. The applicant is requesting an Administrative Adjustment to Article III Sec. III-D.6.k.(1) and (2) Supplementary Use Regulations.

1. Article III Sec. III-D.6.k.(1): reduce the minimum lot size as required by this section, from 5 acres to 1.11 acres; and
2. Article III Sec. III-D.6.k.(2): adjust the condition that outside runs, holding pens or other open-air type enclosures and shelters be located at least 50-feet from contiguous property lines as required by this section, to the setbacks shown on the approved site plan.

We have reviewed your request and have approved the requested adjustments as described above.

All other applicable development standards shall apply unless specifically adjusted or amended.

Except as expressly stated above, this adjustment shall not be deemed to alter any other provisions of PO-13.

The zoning notification signs may now be removed from the property.
