RE: S/D 96-5 - Revised Final Plat of the ECK 4TH ADDITION

Gentlemen:

At the regular meeting of the Metropolitan Area Planning Commission on May 15, 1997, the above captioned plat was considered. The action of the Planning Commission was to recommend that the plat be approved as recommended by the Subdivision Committee subject to the conditions stated in our letter of October 10, 1996.

In addition to complying with those conditions, it is necessary that you meet the following requirements before this plat can be forwarded to the City Council and/or County Commission for consideration:

1. Submission of the fully completed and signed tracing of the subdivision to the Metropolitan Area Planning Department.
2. Submission of a check, made out to the Register of Deeds, covering the costs of any documents to be recorded as a requirement of platting.
3. Subdivision regulations now require a detailed Lot Grading Plan be submitted to Engineering prior to the tracing being released. This applies to all multi-lot and residential developments.

Please call if you have any questions.

Sincerely,

Dale Miller
Chief Planner, Current Plans Division

RE: S/D 96-5 - Revised Final Plat of the ECK 4TH ADDITION

Gentlemen:

At the regular meeting of the Subdivision Committee of the Metropolitan Area Planning Commission on Thursday, October 10, 1996, the above captioned plat was considered. The action of the Committee was to recommend that this plat be approved subject to:

- A. The applicant shall guarantee the extension of sanitary sewer to serve the lots being platted.
- B. The applicant shall guarantee the extension of City water to serve the lots being platted.
- C. The applicant shall guarantee any drainage improvements required by the platting of this property. These guarantees may be included with the paving guarantees.
- D. The applicant shall guarantee construction of the storm sewers required by this plat.
- E. The applicant shall guarantee the paving of all streets adjacent to and/or passing through this site, this including Doris, 11th Street North, Curtis, and Memory Lane.

*no d.w. 1/8

In regard to those areas in which only a half street of right-of-way is being shown (Memory Lane adjacent to Lots 14, 15 & 16, Block B and 11th Street adjacent to Lots 5, 6, 7, and 8, Block B), the applicant shall attempt to obtain the dedication of the needed rights-of-way by separate instrument. If the applicant is unable to obtain this right-of-way, he shall request that the City proceed with condemnation of the needed rights-of-way. The costs of any such condemnation may be included in the paving guarantees.

If improvements are guaranteed by petition, a notarized certificate listing the petitions shall be submitted to the Planning Department for recording.

- ~~G.~~ In regard to Lots 1 and 2, Block A, approval of this plat will require a waiver of the lot depth to width ratio of the Subdivision Regulations. The Subdivision Regulations state

that, "the maximum depth of all residential lots shall not exceed 2-1/2 times the width thereof."

- ~~H.~~ The applicant shall submit an avigational easement covering all of subject plat and a restrictive covenant assuring that adequate construction methods will be used to minimize the effects of noise pollution in the habitable structures constructed on subject property.
- ~~I.~~ The applicant shall install or guarantee the installation of all utilities and facilities which are applicable and described in Article 8 of the MAPC Subdivision Regulations. (Water service and fire hydrants required by Article 8 for fire protection shall be as per the direction and approval of the Chief of the Fire Department.)
- ~~J.~~ The applicant's engineer is advised that the Register of Deeds is requiring the name(s) of the notary public, who acknowledges the signatures on this plat, to be printed beneath the notary's signature.
- ~~K.~~ To receive mail delivery without delay, and to avoid unnecessary expense, the applicant is advised of the necessity to meet with the U.S. Postal Service Growth Management Coordinator (phone 316-729-0102) prior to development of the plat so that the type of delivery, and the tentative mailbox locations can be determined.
- L. Prior to this plat being released for recording, the applicant shall provide proof that ownership of the site has been acquired by the applicant. The platting binder presently indicates the site in two other ownerships rather than the applicant's.
- M. The applicant shall also provide proof that all applicable property taxes (1995) have been paid.
- N. The final plat shall reference a tie point to a previously platted lot corner or section corner.
- O. Perimeter closure computations shall be submitted with the final plat tracing. Section 5-101(c).
- P. Recording of the plat within 30 days after approval by the City Council.
- Q. On the final plat tracing, the MAPC chairman shall be indicated as John C. Frye.
- R. On the final plat tracing, "Deputy" shall be deleted from the City Clerk's signature line.

If this plat requires the guaranteeing of improvements a list of the five methods which have been adopted as being acceptable is available through the Planning Department. Also, certificates which are required if petitions are submitted and forms for the bond and irrevocable Letter of Credit are also available from this office.

The enclosed "marked" copy of the final plat is for your information and files.

This matter will be forwarded to the Planning Commission for its consideration on Thursday,
