BACKGROUND: The applicant is requesting SF-5-Family Residential (SF-5) zoning on the platted approximately 3.67-acres GI General Industrial zoned site. The site consists of Lot 32 ECX FLDWY CCA-41035, North Wichita Gardens Addition, located on the west side of North Hydraulic Avenue between East 39th Street North and the Chisholm Creek Floodway. Lot 32 is developed into three parcels, with a single-family residence on each parcel. The applicant is requesting the zone change to allow for refinancing and expansions of the residential structures.

The site was annexed into the City limit between 1981 and 1990. Prior to annexation, Sedgwick County had zoned the property F – Heavy Industrial. In March 1996, the F – Heavy Industrial zoning district was converted to GI. The lot abutting the subject site on the south has a used car lot with improvements that were built in 2010. The original structure on the site is a 1920s bungalow. All other development north of East 39th Street North are single family residences built between 1920 and 1950. The property west of the site is used for agriculture and has no improvements. The north and west abutting properties are rights-of-way for I-135, K-254 and the Chisholm Creek Floodway.
