SUBJECT: CON2015-00019 - City Conditional Use Request to Allow Outdoor Vehicle and Equipment Sales and Self-service Storage in the Limited Commercial (LC) zoning district; Generally Located 700 feet North of West Central on the East Side of North Ridge Road (District V)

INITIATED BY: Metropolitan Area Planning Department *JLS*

AGENDA: Planning (Non-Consent)

MAPC Recommendation: The MAPC recommended approval of the request (9-0).

DAB Recommendation: District Advisory Board V recommended approval of the request (3-0).

MAPD Staff Recommendation: Metropolitan Area Planning Department staff recommended approval of the request.

BACKGROUND: The Applicant is requesting a “conditional use” to allow outdoor vehicle sales, boat and recreational vehicle storage, and “self-service storage” on Lot 1 Block 1, Johnson’s Garden Center Ridge Addition, which is currently zoned Limited Commercial (LC). The site is located approximately 700-feet north of W. Central Avenue on the east side of N. Ridge Road (802 N. Ridge Road). The subject site is developed with six structures that were used for retail, office and greenhouses during the time the property was operating as a garden/landscaping center. The applicant proposes to retain three buildings on the west end of the property and remove the greenhouses. Fifteen new self-service storage units will be built and an area designated for storage of boats and recreational vehicles. Per the Unified Zoning Code (UZC), outdoor vehicle and equipment sales and indoor self-service storage may be permitted with a conditional use in the LC zoning district. Outdoor storage of boats and recreational vehicles are not allowed in LC.

The Applicant’s site plan shows the existing retail structure, maintenance building and office building. The site has two existing drives onto North Ridge Road. The site plan also indicates the drive access to the self-service storage units and the parking for vehicle display, customer and employee parking.

Property north and east of the site is zoned Multi-Family Residential (MF-29) and developed with an apartment complex. Property south of the site is zoned LC and developed with a federally subsidized apartment complex. Property west of the site is zoned Two-Family Residential (TF-3) and Single-Family Residential (SF-5) and is developed with residential use. Ridge Road, a five-lane arterial separates the residential use from the project site.

There are similar uses in the area. Two small outdoor vehicle sales and vehicle repair limited establishments are located approximately one mile east of the site on the east side of I-235 at West Central and North Hoover Road. Just over a mile to the west at the northwest corner of West Central and North Tyler Road is a large lot (six acres) used car sales business adjacent to a large lot (4.67 acres) new car sales business. One-half mile south of the subject site is a warehouse/self-storage facility with boat and recreational vehicle storage on a 3.5 acre General Commercial (GC) zoned lot.

Outdoor vehicle and equipment sales and self-service warehouse uses are subject to supplementary use regulations control in UZC Article III, Section III-E.6. x and y (respectively).

Analysis: On June 4, 2015, the Metropolitan Area Planning Commission (MAPC) reviewed the application. The MAPC approved the application by consent (9-0).

On June 15, 2015, District Advisory Board (DAB) V heard the case and voted to approve the conditional use (3-0). No comments from the public were recorded.

Planning staff has received a valid protest representing 3.25 percent of the net land area located with the protest area. The protest represents less than 20 percent of the net land area located within the protest area.

Financial Considerations: Approval of this request will not create any financial obligations for the City.

Legal Considerations: The Law Department has reviewed and approved the resolution as to form.

Recommendation/Actions: It is recommended that the City Council: 1) Concur with the findings of the MAPC and approve the conditional use subject to the conditions enumerated and adopt the findings of the MAPC (requires a simple majority vote); 2) Deny the conditional use request by making alternative findings, and override the MAPC’s recommendation (requires a two-third majority vote to override the MAPC’s recommendation); 3) Return the case to MAPC for further consideration with a statement specifying the basis for Council’s failure to approve or deny the application (requires a simple majority vote).
