- ~~F.~~ The applicant's engineer is advised that the Register of Deeds is requiring the name(s) of the notary public, who acknowledges the signatures on this plat, to be printed beneath the notary's signature.
- ~~G.~~ Perimeter closure computations shall be submitted with the final plat tracing. Section 5-101(c).

- H. Recording of the plat within 30 days after approval by the City Council and/or County Commission.

The applicant/agent should contact Betty Roark, with OCI at 268-4341 and Chuck Steven, Water & Sewer at 268-4555, to determine whether assessments are due.
- J. The applicant's drainage plan is approved.

If this plat requires the guaranteeing of improvements a list of the five methods which have been adopted as being acceptable is available through the Planning Department. Also, certificates which are required if petitions are submitted and forms for the bond and irrevocable Letter of Credit are also available from this office.
