**Background:** The applicant requests a zone change from TF-3 Two-family Residential (“TF-3”) to GO General Office (“GO”) on a 0.97 acre site located south of East 9<sup>th</sup> Street North, along the east side of North Hillside Avenue (918 N. Hillside Ave.) The vacant site is 208 feet deep and 80 feet wide. The applicant indicates a desire to have the property rezoned to the same zoning of the properties to the north and south of the subject site to make the property more marketable.

GO zoning would allow the following land uses not permitted in the current TF-3 zoning: multi-family residential (at 75 units per acre), assisted living, group residence, cemetery, community assembly, correctional placement residence, day care, nursing facility, university or college, automated teller machine, bed and breakfast inn, broadcast/recording studio, funeral home, hotel or motel, recreational marine facility, medical service, general office and commercial parking area. Code standards would require a landscape plan to include parking lot screening, and would limit light pole height to 15 feet with lights shielded downward, preventing light trespass off the site. Maximum building height in the GO district is 60 feet.

Property north of the subject site is zoned GO and is currently vacant. South of the site, the property is also zoned GO and TF-3 and is developed with a medical office (GO zoned property) and single-family residence (TF-3 zoned property.) East of the subject site, the property is zoned TF-3 and is developed with a single-family residence. West of the subject site (across N. Hillside Ave.) the property is zoned GC General Commercial (“GC”) and is developed as a mortuary/funeral home.

On December 7, 2015, District Advisory Board (DAB) I reviewed the application and recommend approval 8-1.

No protest petitions have been received. The request can be approved with a simple majority vote.

**Legal Considerations:** The Law Department has reviewed and approved the ordinance as to form.

**Recommendation/Actions:** It is recommended that the City Council adopt the findings of the MAPC and approve the Zone Change, **and place the ordinance on first reading** (simple majority vote).
