James D. Hestermann Land Surveyor

Know all men by these presents that we, the undersigned, have caused the land described in the surveyor's certificate to be platted into Lots, a Block and a Street, to be known as "STEINKE 2ND ADDITION", Sedgwick County, Kansas. Access controls as indicated are hereby dedicated to the appropriate governing body. The utility easements are hereby granted for the construction and maintenance of all public utilities. The Floodway Reserve Easement is hereby granted to the public for the purposes of providing flood protection and preserving the natural drainage, and of preserving and protecting the safety and welfare of the public. FEMA floodplain and regulatory floodway boundaries are subject to periodic change and such change may affect the intended land use within the subdivision. A Minimum Pad Elevation for lowest openings on Lot 1 = 1368.0 (NAVD88). The street is hereby dedicated to and for the use of the public. A drainage plan has been developed for this plat and all drainage easements, rights-of-way, or reserves shall remain at established grades, or as modified with the approval of the applicable City or County Engineer, and unobstructed to allow for the conveyance of stormwater.
