STAFF REPORT

MAPC July 7, 2016

- CASE NUMBER:** ZON2016-23
- APPLICANT/AGENT:** Wayne and Donna Wulf (owner/applicant)
- REQUEST:** SF-20 Single-family Residential (SF-20) zoning
- CURRENT ZONING:** RR Rural Residential (RR) zoning
- SITE SIZE:** 40 acres
- LOCATION:** Generally located north of East 71st Street South and east of South 127th Street East
- PROPOSED USE:** Single-family residential development on 1.5 to 2.9-acre lots

BACKGROUND: The applicant requests a zone change from RR Rural Residential (RR) to SF-20 Single-family Residential (SF-20) on 40 acres. The application area is concurrently platting as the Tiffani Breeze addition with 18 lots and a reserve ranging in size from 2.9 acres to 1.5 acres on modified septic systems. RR zoning requires a 2-acre minimum lot size. The site is located on the north side of East 71st Street South and is ¼ mile east of South 127th Street East. The site is not within a small city urban growth area but is within Rural Water District #3.

All property surrounding the site is zoned RR. Property due north, south and east of the site is undeveloped and used for agriculture. Further east is the Downwind Estates airfield and associated residential subdivision. West of the site are RR zoned residential lots approximately 10 acres in size. Further west and northwest are residential lots as small as 0.63 acres in the RR zoned Fairway Meadows Addition with a community sewer system.

CASE HISTORY: The site is in the platting process, MAPC will hear the plat on July 7, 2016.

ADJACENT ZONING AND LAND USE:

NORTH:	RR	Agriculture, large-lot single-family residential development
SOUTH:	RR	Agriculture
EAST:	RR	Agriculture, large-lot single-family residential development, private airfield
WEST:	RR	Large-lot single-family residential development

PUBLIC SERVICES: East 71st Street South is an unpaved, two-lane section-line road maintained by the township. The proposed plat will give this section of 71st Street South a 30-foot half-width right-of-way and a 30-foot water line easement. By keeping the lot count below 20, the applicant is not required to make paving improvements to 71st Street South. The site will be provided water by Rural Water District #3, on-site sewer (modified septic systems) are proposed based on lot sizes below two acres.

CONFORMANCE TO PLANS/POLICIES: The adopted Wichita-Sedgwick County Comprehensive Plan, the *Community Investments Plan*, identifies the site as “rural” and not within any small city growth areas. The “rural” category encompasses land outside the 2035 urban growth areas for Wichita and the small cities. Agricultural uses, rural-based businesses, and larger lot residential exurban subdivisions likely will be developed in this area. Such development should occur in accordance with the *Urban Fringe Development Standards for Wichita and Sedgwick County*.

RECOMMENDATION: Based upon information available prior to the public hearings, planning staff recommends that the request be **APPROVED**.

This recommendation is based on the following findings:

- (1) The zoning, uses and character of the neighborhood:** All property surrounding the site is zoned RR. Property due north, south and east of the site is undeveloped and used for agriculture. Further east is the Downwind Estates airfield and associated residential subdivision. West of the site are RR zoned residential lots approximately 10 acres in size. Further west and northwest are residential lots as small as 0.63 acres in the RR zoned Fairway Meadows Addition with a community sewer system.
- (2) The suitability of the subject property for the uses to which it has been restricted:** The site is currently zoned RR and could be developed with 2-acre minimum residential lots.
- (3) Extent to which removal of the restrictions will detrimentally affect nearby property:** The requested SF-20 zoning will allow half-acre lots. The increased number of potential lots will impact nearby property with increased traffic.

- (4) **Conformance of the requested change to the adopted or recognized Comprehensive Plan and policies:** The adopted Wichita-Sedgwick County Comprehensive Plan, the *Community Investments Plan*, identifies the site as “rural” and not within any small city growth areas. The “rural” category encompasses land outside the 2035 urban growth areas for Wichita and the small cities. Agricultural uses, rural-based businesses, and larger lot residential exurban subdivisions likely will be developed in this area. Such development should occur in accordance with the *Urban Fringe Development Standards for Wichita and Sedgwick County*.
- (5) **Impact of the proposed development on community facilities:** 71st Street South is unpaved at this location. MAPC will hear the plat for this development concurrently with the zone change. The increase in residential density will slightly increase demand on community facilities, infrastructure and services.
