Re: S/D 92-18 (Final Plat LAKESIDE PARK ADDITION)

Dear Gary:

At the regular meeting of the Metropolitan Area Planning Commission on July 2, 1992, the above captioned plat was considered. The action of the Planning Commission was to recommend that the plat be approved as recommended by the Subdivision Committee subject to the conditions stated in our letter of June 26, 1992.

In addition to complying with those conditions, it is necessary that you meet the following requirements before this plat can be forwarded to the City Council for consideration:

- ✓1. Submission of the fully completed and signed tracing of the subdivision to the Metropolitan Area Planning Department.
- ✓2. Submission of a check, made out to the Register of Deeds, covering the costs of any documents to be recorded as a requirement of platting.
3. Subdivision regulations now require a detailed Lot Grading Plan be submitted to Engineering prior to the tracing being released. This applies to all multi-lot and residential developers.
