FINAL PLAT

STATE OF KANSAS, COUNTY OF SEDGWICK, KS:

I, Don C. Moehring II, a Registered Land Surveyor in said State and County, do hereby certify that I have surveyed and platted "C.E.C.U. ADDITION", Sedgwick County, Kansas, into a Lot, a Block and a Street, the same being accurately set forth on the accompanying plat and described as being the East 262.0 feet of the Southwest Quarter of Section 3, Township 28 South, Range 1 West of the 6th P.M., Sedgwick County, Kansas, lying South of the A.T. & S.F. Railroad Right-of-way.

Don C. Moehring II Surveyor

Know all men by these presents that we the undersigned, property owners of the land as above set forth in the Surveyor's certificate, have caused the same to be surveyed and platted into a Lot, a Block and a Street, to be known as "C.E.C.U. ADDITION", Sedgwick County, Kansas. Easements for the construction and maintenance of public utilities, as indicated on the accompanying plat, are hereby granted. All abutter's rights of access to or from 31st Street South, over and across the South line of Lot 1, Block A, are hereby granted to the appropriate Governing Body, provided however, that Lot 1, Block A, shall have access to 31st Street South at a location to be determined by the appropriate Engineer.

Re: S/D 92-1 (Final Plat) C.E.C.U. Addition

Dear Don:

At the regular meeting of the Metropolitan Area Planning Commission on January 30, 1992, the above captioned plat was considered. The action of the Planning Commission was to recommend that the plat be approved as recommended by the Subdivision Committee subject to the conditions stated in our letter of January 27, 1992.

In addition to complying with those conditions, it is necessary that you meet the following requirements before this plat can be forwarded to the City Council for consideration:

1. Submission of the fully completed and signed tracing of the subdivision to the Metropolitan Area Planning Department.
2. Submission of a check, made out to the Register of Deeds, covering the costs of any documents to be recorded as a requirement of platting.
3. Subdivision regulations now require a detailed Lot Grading Plan be submitted to Engineering prior to the tracing being released. This applies to all multi-lot and residential developers.

Please call if you have any questions.

Sincerely,

Don Losew
Senior Planner

Total:

1

MINIMUM LOT AREA:

42,826.52 sq. ft.

RECOMMENDATION: Approve the request, subject to the following conditions:

- A. Since neither municipal water nor sanitary sewer is available to serve this property and the applicant intends to use the private water and sewer system from the adjoining property to the east, such an agreement needs to be filed with City Engineering to ensure future property owners are provided service.
- B. City Engineering indicates petitions should be held for the future extension of municipal facilities across the frontage.
- C. Drainage improvements can be incorporated with site development so a separate guarantee is not required.
- D. If improvements are guaranteed by petition, a notarized certificate listing the petitions shall be submitted to the Planning Department for recording.
- E. The applicant shall submit an avigational easement covering all of subject plat and a restrictive covenant assuring that adequate construction methods will be used to minimize the effects of noise pollution in the habitable structures constructed on subject property.
- F. On the final plat tracing, the face of the plat shall delete the word "complete" from the access control being shown for this plat. The plat's text shall be corrected to indicate "shall have access to 31st St. South at 2 locations. . . "
- G. On the final plat tracing the MAPC signature block shall be amended to indicate Christopher J. Goebel as chairman.
- H. The applicant is advised that the Board of County Commissioners has changed chairmanship positions and the final plat tracing should indicate the appropriate order for Commission signatures with Betsy Gwin as Chairman and Mark Schroeder as Chairman Pro-Tem.
- I. The applicant shall install or guarantee the installation of all utilities and facilities which are applicable and described in Article 8 of the MAPC Subdivision Regulations.
- J. The applicant's engineer is advised that the Register of Deeds is requiring the name(s) of the notary public who acknowledges the signatures on this plat to be printed beneath the notary's signature.
- K. Perimeter closure computations shall be submitted with the final plat tracing. Section 5-101(c).
