Re: S/D 91-6 - Reflection Ridge 6th Addition

At the regular meeting of the Metropolitan Area Planning Commission on January 31, 1991, the above-captioned plat was considered. The action of the Planning Commission was to recommend that the plat be approved as recommended by the Subdivision Committee, subject to the conditions stated in our letter of January 24, 1991.

In addition to complying with those conditions, it is necessary that you meet the following requirements before this plat can be forwarded to the City Council for consideration:

1. Submission of the fully completed and signed tracing of the subdivision to the Metropolitan Area Planning Department.
2. Submission of a check made payable to the Register of Deeds covering the costs of any documents to be recorded as a requirement of platting.

Please call if you have any questions.

Sincerely,

Kandace A. Jones
Associate Planner
