

STAFF COMMENTS:

- A. Since neither municipal water nor sanitary sewer is available to serve this property, the applicant shall contact the Environmental Health Division of the Health Department to find out what tests may be necessary and what standards are to be met for approval of on-site sewerage facilities and water wells. A memorandum shall be obtained specifying approval.
- B. The applicant shall guarantee any drainage improvements required by the platting of this property.
- C. If improvements are guaranteed by petition, a notarized certificate listing the petitions shall be submitted to the Planning Department for recording.
- D. Although the present name indicated for this plat is a usable title, it is recommended that the plat be named in a more conventional manner such as after the property owner, e.g. "The Searcy Addition."
- E. The applicant is advised that since this plat will be submitted to the County after 1990, that appropriate changes in the Board of County Commissioner's signature block will need to be made on the final plat tracing.
- F. The applicant is advised that prior to releasing the final plat tracing for submission to the County Commission, proof that 1990 property taxes have been paid will need to be provided.
- G. Perimeter closure computations shall be submitted with the final plat tracing. Section 5-101(c).
- H. Recording of the plat within 30 days after approval by the City Council.
- I. The representatives from the utility companies should be prepared to comment on the need for utility easements to be platted on this property.
- J. The representative from County Engineering should be prepared to comment on the status of the applicant's drainage Plan.

Note: This plat has been submitted in final form only.

Re: S/D 90-65 (Final Plat) South 1/2 of Lot 134, Van View  
Addition

Dear Bob:

At the regular meeting of the Metropolitan Area Planning Commission on December 20, 1990, the above captioned plat was considered. The action of the Planning Commission was to recommend that the plat be approved as recommended by the Subdivision Committee subject to the conditions stated in our letter of December 14, 1990.

In addition to complying with those conditions, it is necessary that you meet the following requirements before this plat can be forwarded to the City Council for consideration:

1. Submission of the fully completed and signed tracing of the subdivision to the Metropolitan Area Planning Department.
2. Submission of a check, made out to the Register of Deeds, covering the costs of any documents to be recorded as a requirement of platting.

Please call if you have any questions.

Sincerely,

Kandace A. Jones  
Associate Planner
