

- 13 and 14, Block 3. These easements shall be established by separate instrument and provided to City Engineering for approval. These easements shall then be submitted to Planning, for recording, with the plat.
- K. The final plat tracing shall indicate the 10-foot utility easements requested by K.G.& E. between Lots 2 and 3 of Blocks 1, 4 and 5, between Lots 1 and 2, Block 2, between Lots 5 and 4, 8 and 9, Block 3 and between Lots 6 and 7, Block 4.
- L. On the final plat tracing, the City's signature block shall now indicate "Pat Burnett, Deputy City Clerk" in place of John Moir.
- M. The MAPC's signature block shall indicate "George Sherman, Acting Chairman."
- N. Copies of the easements indicated in the title binder shall be submitted with the final plat tracing. Explanations shall also be provided indicating where these easements are located. If these easements are within this plat, they shall either be shown on the final plat tracing or proper reference made in the plat's text as to their location.
- O. The applicant's engineer is advised that the Register of Deeds is requiring the name(s) of the notary public, who acknowledges the signatures on this plat, to be printed beneath the notary's signature.
- P. To receive mail delivery without delay, and to avoid unnecessary expense, the applicant is advised of the necessity to meet with the U.S. Postal Service Growth Management Coordinator (phone 316-946-4527) prior to development of the plat so that the type of delivery, and the tentative mailbox locations can be determined.
- Q. The applicant shall install or guarantee the installation of all utilities and facilities which are applicable and described in Article 8 of the MAPC Subdivision Regulations.
- R. Perimeter closure computations shall be submitted with the final plat tracing. Section 5-101(c).
- S. Recording of the plat within 30 days after approval by the City Council.

STAFF COMMENTS:

- A. The applicant shall guarantee the extension of sanitary sewer to serve the lots being platted.
- B. The applicant shall guarantee the extension of City water to serve the lots being platted.
- C. The applicant shall guarantee any drainage improvements required by the platting of this property.
- D. The applicant shall guarantee the paving of the proposed interior streets. This petition shall also provide for the construction of sidewalks along the east side of Linden and the south side of Creed. This segment is intended to tie into a system initiated with the platting of the first Towne Parc Addition which required a sidewalk along the east side of Cypress. Eventually a continuous sidewalk is to be provided out to Pawnee along Linden, Creed, and Cypress Streets.
- E. If improvements are guaranteed by petition, a notarized certificate listing the petitions shall be submitted to the Planning Department for recording.
- F. In order to allow the lot sizes being platted, the applicant has filed for annexation to Wichita. This plat will not be scheduled for City Council review until annexation has occurred.
- G. The applicant shall grant by separate instrument, temporary culs-de-sac for the termination of Creed and Hurst. This instrument shall indicate that the temporary dedications will expire upon the extension of each street into subsequent developments. Unless approved by City Engineering, these temporary culs-de-sac are to be provided off-site.
- H. The applicant shall submit a covenant which provides for four (4) off-street parking spaces per dwelling unit on each lot which abuts a 58-foot street. The covenant shall inventory the affected lots by lot and block number and shall state that the covenant runs with the land and is binding on future owners and assigns.
- I. The applicant shall submit an avigational easement covering all of subject plat and a restrictive covenant assuring that adequate construction methods will be used to minimize the effects of noise pollution in the habitable structures constructed on subject property.
- J. As required by the drainage plan, an off-site drainage easement shall be provided. Also, off-site utility easements will need to be established in order to serve this site. These easements are needed along the south line of this plat and north line of Lots

Re: S/D 90-37 - Towne Parc 3rd Addition

Dear Gentlemen:

At the regular meeting of the Metropolitan Area Planning Commission on June 21, 1990, the above captioned plat was considered. The action of the Planning Commission was to recommend that the plat be approved as recommended by the Subdivision Committee subject to the conditions stated in our letter of June 18, 1990.

In addition to complying with those conditions, it is necessary that you meet the following requirements before this plat can be forwarded to the City Council for consideration:

1. Submission of the fully completed and signed tracing of the subdivision to the Metropolitan Area Planning Department.
2. Submission of a title report by an abstract or title insurance company or an attorney's opinion that fee title is vested in the plattor; if the title report or attorney's opinion has not already been submitted.
3. Certification that all due real estate taxes have been paid.
4. Submission of a check, made out to the Register of Deeds, covering the costs of any documents to be recorded as a requirement of platting.

Please call if you have any questions.

Sincerely,

Kandace A. Kimple
