Re: S/D 90-4 WILDCAT RSC ADDITION

Dear Gentlemen:

At the regular meeting of the Metropolitan Area Planning Commission on March 1, 1990, the above captioned plat was considered. The action of the Planning Commission was to recommend that the plat be approved as recommended by the Subdivision Committee subject to the conditions stated in our letter of February 23, 1990.

In addition to complying with those conditions, it is necessary that you meet the following requirements before this plat can be forwarded to the City Council for consideration:

1. Submission of the fully completed and signed tracing of the subdivision to the Metropolitan Area Planning Department.
2. Submission of a title report by an abstract or title insurance company or an attorney's opinion that fee title is vested in the platlor.
3. Certification that all due real estate taxes have been paid.

Please call if you have any questions.

Sincerely,

R. Timothy Bickhaus
Associate Planner

STAFF COMMENTS:

- A. The applicant shall guarantee the extension of sanitary sewer to serve the lot being platted.
- B. If improvements are guaranteed by petition, a notarized certificate listing the petitions shall be submitted to the Planning Department for recording.
- C. Since access to the unplatted tract to the east of this site is being provided by a proposed 20-foot ingress-egress easement across this site, a copy of this easement shall be provided to the Planning Department for review and approval. Upon approval, the easement shall be recorded by the applicant and the recording information indicated on the final plat tracing.
- D. The applicant is advised that the existing driveway may require modification to access the 20-foot ingress-egress easement.
- E. The applicant shall install or guarantee the installation of all utilities and facilities which are applicable and described in Article 8 of the MAPC Subdivision Regulations.
- F. The applicant's engineer is advised that the Register of Deeds is requiring the name(s) of the notary public, who acknowledges the signatures on this plat, to be printed beneath the notary's signature.
- G. Perimeter closure computations shall be submitted with the final plat tracing. Section 5-101(c).
- H. Recording of the plat within 30 days after approval by the City Council.
