Re: S/D 90-52 - Northwest Village 5th

Dear Gary:

At the regular meeting of the Metropolitan Area Planning Commission on September 27, 1990, the above captioned plat was considered. The action of the Planning Commission was to recommend that the plat be approved as recommended by the Subdivision Committee subject to the conditions stated in our letter of September 21, 1990.

In addition to complying with those conditions, it is necessary that you meet the following requirements before this plat can be forwarded to the City Council for consideration:

1. Submission of the fully completed and signed tracing of the subdivision to the Metropolitan Area Planning Department.
2. Submission of a check, made out to the Register of Deeds, covering the costs of any documents to be recorded as a requirement of platting.

Please call if you have any questions.

Sincerely,

Kandace A. Jones

STAFF COMMENTS:

- A. Approval of this plat shall be subject to MAPC and City Council approval of the requested zone change and any conditions of that change.
- B. The applicant shall guarantee any drainage improvements required by the platting of this property. As indicated by the drainage plan for this site, this guarantee may need to include off-site improvements. Also, any needed off-site easements for these improvements shall be obtained. These easements shall be approved by City Engineering and submitted to Planning for recording with the plat.
- C. The applicant shall guarantee an accel/decel lane along 13th Street North (across the full length of this plat) to serve this site.
- D. If improvements are guaranteed by petition, a notarized certificate listing the petitions shall be submitted to the Planning Department for recording.
- E. The applicant's agent shall determine any setback requirements from the Phillips Pipeline Easement on this property by researching the text of the pipeline agreement.
- F. Any relocation, lowering or encasement of the pipeline, made necessary by this development, will not be at the expense of the City.
- G. The applicant is advised that the MAPC will be appointing new Officers at its September 27, 1990 meeting. The final plat tracing shall therefore indicate the MAPC chairman as appointed from that meeting.
- H. The applicant shall provide a letter to Southwestern Bell Telephone regarding additional future easements for this plat.
- I. The applicant shall install or guarantee the installation of all utilities and facilities which are applicable and described in Article 8 of the MAPC Subdivision Regulations.
- J. The applicant's engineer is advised that the Register of Deeds is requiring the name(s) of the notary public, who acknowledges the signatures on this plat, to be printed beneath the notary's signature.
- K. Perimeter closure computations shall be submitted with the final plat tracing. Section 5-101(c).
- L. Recording of the plat within 30 days after approval by the City Council.
