

STAFF COMMENTS:

- A. The applicant shall either abandon or amend the existing petitions on file for this property. If projects are to be abandoned as a result of this replat, the applicant shall pay off the charges against the abandoned projects. Square footage figures shall be provided for the lots within this plat so existing special assessments and petitions may be amended.
- B. The applicant shall install or guarantee the installation of all utilities and facilities which are applicable and described in Article 8 of the MAPC Subdivision Regulations.
- C. The applicant's engineer is advised that the Register of Deeds is requiring the name(s) of the notary public, who acknowledges the signatures on this plat, to be printed beneath the notary's signature.
- D. Perimeter closure computations shall be submitted with the final plat tracing. Section 5-101(c).
- E. Recording of the plat within 30 days after approval by the City Council.

Re: S/D 89-5 - SHERWOOD INDUSTRIAL PARK V

Dear Gentlemen:

At the regular meeting of the Subdivision Committee of the Metropolitan Area Planning Commission on February 16, 1989, the above captioned plat was considered. The action of the Committee was to recommend that the plat be approved as recommended by the Subdivision Committee subject to the conditions stated in our letter of February 10, 1989.

In addition to complying with those conditions, it is necessary that you meet the following requirements before this plat can be forwarded to the Board of City Commissioners for consideration:

1. Submission of the fully completed and signed tracing of the subdivision to the Metropolitan Area Planning Department.
2. Submission of a title report by an abstract or title insurance company or an attorney's opinion that fee title is vested in the plattor.
3. Certification that all real estate taxes for the first half of 1988 and all prior years have been paid.

Please call if you have any questions.

Sincerely,

R. Timothy Bickhaus
Associate Planner
