

- L. For those reserves being platted for drainage purposes, the required covenant which provides for ownership and maintenance of the reserves shall grant, to the City, the authority to maintain the drainage reserves in the event the owner(s) fail to do so. The covenant shall provide for the cost of such maintenance to be charged back to the owner(s) by a method similar to special assessments.
- M. On the final plat tracing the triangular areas indicated as wall easements and adjacent to 21st Street North, shall be indicated as Reserves. The plat's text shall note that utilities may cross these reserves and if sanitary sewer is involved at any of these locations, a hold harmless agreement shall also be submitted for each involved location.
- N. The plat's text shall indicate that in reserves A and B utilities are confined to easements.
- O. If the platting of this property requires the establishing of minimum building pad elevations, the elevations shall be noted on the face of the plat, as well as in the plat's text. Also, permanent on-site and off-site benchmarks shall be referenced on the face of the plat.
- P. The final plat shall indicate the utility easements requested by K.G. & E. and Southwestern Bell which are indicated on the enclosed "marked" copy of the plat.
- Q. The applicant shall install or guarantee the installation of all utilities and facilities which are applicable and described in Article 8 of the MAPC Subdivision Regulations.
- R. The applicant's engineer is advised that the Register of Deeds is requiring the name(s) of the notary public, who acknowledges the signatures on this plat, to be printed beneath the notary's signature.
- S. To receive mail delivery without delay, and to avoid unnecessary expense, the applicant is advised of the necessity to meet with the U.S. Postal Service Growth Management Coordinator (phone 316-946-4527) prior to development of the plat so that the type of delivery, and the tentative mailbox locations can be determined.
- T. Perimeter closure computations shall be submitted with the final plat tracing. Section 5-101(c).
- U. Recording of the plat within 30 days after approval by the City Council.

Re: S/D 88-99 TIMBER RIDGE ADDITION

Dear Gentlemen:

At the regular meeting of the Subdivision Committee of the Metropolitan Area Planning Commission on February 16, 1989, the above captioned plat was considered. The action of the Committee was to recommend that the plat be approved as recommended by the Subdivision Committee subject to the conditions stated in our letter of February 10, 1989.

In addition to complying with those conditions, it is necessary that you meet the following requirements before this plat can be forwarded to the Board of City Commissioners for consideration:

1. Submission of the fully completed and signed tracing of the subdivision to the Metropolitan Area Planning Department.
2. Submission of a title report by an abstract or title insurance company or an attorney's opinion that fee title is vested in the platator.
3. Certification that all real estate taxes for the first half of 1988 and all prior years have been paid.

Please call if you have any questions.

Sincerely,

R. Timothy Bickhaus
Associate Planner
