Re: S/D 89-46 - MAPLE LANE 5TH ADDITION

Dear Gentlemen:

At the regular meeting of the Metropolitan Area Planning Commission on August 31, 1989, the above captioned plat was considered. The action of the Planning Commission was to recommend that the plat be approved as recommended by the Subdivision Committee subject to the conditions stated in our letter of August 25, 1989.

In addition to complying with those conditions, it is necessary that you meet the following requirements before this plat can be forwarded to the City Council for consideration:

- 1. Submission of the fully completed and signed tracing of the subdivision to the Metropolitan Area Planning Department.
- 2. Submission of a title report by an abstract or title insurance company or an attorney's opinion that fee title is vested in the plattor.
- 3. Certification that all real estate taxes for the second half of 1988 and all prior years have been paid.

Please call if you have any questions.

Sincerely,

R. Timothy Bickhaus
Associate Planner

STAFF COMMENTS:

- A. The preliminary plat indicates a power pole and electric line running from the house north of the preliminary plat to the garage in Lot 2. This line will need to be removed prior to this plat being scheduled for the City Council. The applicants engineer shall provide a letter stating the line has been removed.
- B. The applicant shall submit an avigational easement covering all of subject plat and a restrictive covenant assuring that adequate construction methods will be used to minimize the effects of noise pollution in the habitable structures constructed on subject property.
- C. The applicant shall install or guarantee the installation of all utilities and facilities which are applicable and described in Article 8 of the MAPC Subdivision Regulations.
- D. To receive mail delivery without delay, and to avoid unnecessary expense, the applicant is advised of the necessity to meet with the U.S. Postal Service Growth Management Coordinator (phone 316-946-4527) prior to development of the plat so that the type of delivery, and the tentative mailbox locations can be determined.
- E. The applicant's engineer is advised that the Register of Deeds is requiring the name(s) of the notary public, who acknowledges the signatures on this plat, to be printed beneath the notary's signature.
- F. Recording of the plat within 30 days after approval by the City Council.
- G. Perimeter closure computations shall be submitted with the final plat tracing. Section 5-101(c).
