Re: S/D 89-19 - AMBURGEY 2ND ADDITION

Dear Gentlemen:

At the regular meeting of the Subdivision Committee of the Metropolitan Area Planning Commission on April 13, 1989, the above captioned plat was considered. The action of the Committee was to recommend that the plat be approved as recommended by the Subdivision Committee subject to the conditions stated in our letter of April 7, 1989.

In addition to complying with those conditions, it is necessary that you meet the following requirements before this plat can be forwarded to the Board of City Commissioners for consideration:

1. Submission of the fully completed and signed tracing of the subdivision to the Metropolitan Area Planning Department.
2. Submission of a title report by an abstract or title insurance company or an attorney's opinion that fee title is vested in the plattor.
3. Certification that all real estate taxes for the first half of 1988 and all prior years have been paid.

Please call if you have any questions.

Sincerely,

R. Timothy Bickhaus
Associate Planner

day of _____ 198__.

Don Wright _____ County Clerk

STAFF COMMENTS:

- A. The applicant shall obtain, by separate instrument, the 4.5 foot wide off-site utility easement required adjacent to the south line of this plat. This instrument shall be submitted to the Planning Department for processing.
- B. The applicant is advised that this portion of 13th Street North is a part of the designated collector street system. The final plat tracing shall indicate the platting of 35-foot half-street right-of-way.
- C. Approval of this plat will require a waiver of the lot depth to width ratio of the Subdivision Regulations. The Subdivision Regulations state that, "the maximum depth of all residential lots shall not exceed 2-1/2 time the width thereof."
- D. The applicant shall submit an avigational easement covering all of subject plat and a restrictive covenant assuring that adequate construction methods will be used to minimize the effects of noise pollution in the habitable structures constructed on subject property.
- E. Perimeter closure computations shall be submitted with the final plat tracing. Section 5-101(c).
- F. The applicant shall install or guarantee the installation of all utilities and facilities which are applicable and described in Article 8 of the MAPC Subdivision Regulations.
- G. To receive mail delivery without delay, and to avoid unnecessary expense, the applicant is advised of the necessity to meet with the U.S. Postal Service Growth Management Coordinator (phone 316-946-4527) prior to development of the plat so that the type of delivery, and the tentative mailbox locations can be determined.
- H. The applicant's engineer is advised that the Register of Deeds is requiring the name(s) of the notary public, who acknowledges the signatures on this plat, to be printed beneath the notary's signature.
- I. Recording of the plat within 30 days after approval by the City Council.

Note: This plat is in final form only.
