- N. Since this property abuts the current City of Wichita city limits, the applicant shall request annexation. The property needs to be annexed into the City, prior to the City Council considering the plat.
- O. The final plat tracing shall indicate the front lot line utility easement requested by K.G. and E at the time the preliminary plat was approved.
- P. The applicant's engineer is advised that the Register of Deeds is requiring the name(s) of the notary public, who acknowledges the signatures on this plat, to be printed beneath the notary's signature.
- Q. To receive mail delivery without delay, and to avoid unnecessary expense, the applicant is advised of the necessity to meet with the U.S. Postal Service Growth Management Coordinator (phone 316-946-4527) prior to development of the plat so that the type of delivery, and the tentative mailbox locations can be determined.
- R. The applicant shall install or guarantee the installation of all utilities and facilities which are applicable and described in Article 8 of the MAPC Subdivision Regulations.
- S. Perimeter closure computations shall be submitted with the final plat tracing. Section 5-101(C).

Re: S/D 88-45 - MERE RIDGE ADDITION. Located in an area
east of Ridge Road and north of 21st Street North.

Gentlemen:

At the regular meeting of the Metropolitan Area Planning Commission on September 1, 1988, the above-captioned plat was considered. The action of the Planning commission was to recommend that the plat be approved as recommended by the Subdivision Committee subject to the conditions stated in our letter of August 26, 1988.

In addition to complying with those conditions, it is necessary that you meet the following requirements before this plat can be forwarded to the Board of City Commissioners for consideration:

1. Submission of the fully completed and signed tracing of the subdivision to the Metropolitan Area Planning Department.
2. Submission of a title report by an abstract or title insurance company or an attorney's opinion that fee title is vested in the plattor.
3. Certification that all real estate taxes for the first half of 1988 and all prior years have been paid.

Please call if you have any questions.

Sincerely,

R. Timothy Bickhaus
Junior Planner
