Re: Final Plat S/D 88-3 - JAMES C. GREEN ADDITION

Gentlemen:

At the regular meeting of the Metropolitan Area Planning Commission on February 4, 1988, the above-captioned plat was considered. The action of the Planning Commission was to recommend that the plat be approved as recommended by the Subdivision Committee subject to the conditions stated in our letter of January 29, 1988.

In addition to complying with those conditions, it is necessary that you meet the following requirements before this plat can be forwarded to the City Council for consideration:

1. Submission of the fully completed and signed tracing of the subdivision to the Metropolitan Area Planning Department.
2. Submission of a title report by an abstract or title insurance company or an attorney's opinion that fee title is vested in the platlor.
3. Certification that all real estate taxes for 1987 and all prior years have been paid.

Please call if you have any questions.

Sincerely,

A handwritten signature in cursive script, reading "Donald Losew", is written over the typed name.

Donald Losew
Junior Planner

STAFF COMMENTS:

- A. The applicant shall guarantee the extension of sanitary sewer to serve the lots being platted.
- B. The applicant shall guarantee any drainage improvements required by the platting of this property.
- C. The applicant shall attempt to obtain a valid petition for the paving of 36th Street North adjacent to the south line of this subdivision.
- D. If improvements are guaranteed by petition, a notarized certificate listing the petitions shall be submitted to the Planning Department for recording.
- E. On the final plat tracing, a 25-foot building setback shall be indicated on each lot from 36th Street North. A 20-foot sideyard setback shall be indicated from Arkansas Avenue on Lot 1.
- F. On the final plat tracing, "complete access control" shall be granted to Arkansas Avenue across the west line of Lot 1.
- G. The applicant shall guarantee the closure of the driveway to Arkansas Avenue from Lot 1.
- H. The applicant shall install or guarantee the installation of all utilities and facilities which are applicable and described in Article 8 of the MAPC Subdivision Regulations.
- I. Perimeter closure computations shall be submitted with the final plat tracing. Section 5-101(C).
- J. Recording of the plat within 30 days after approval by the City Council.
- K. The representative from the City Engineer's office should be prepared to comment on the status of the applicant's drainage plan. Specifically, are any drainage improvements required by this plat?
