STAFF COMMENTS:

- A. The applicant shall guarantee the extension of sanitary sewer to serve the lots being platted.
- B. The applicant shall guarantee any drainage improvements required by the platting of this property.
- C. If improvements are guaranteed by petition, a notarized certificate listing the petitions shall be submitted to the Planning Department for recording.
- D. Since "complete access control" is being dedicated to Atlanta Street from this commercially zoned lot, the sidewalk ordinance provides for the waiving of the sidewalk normally required for this street.
