

STAFF COMMENTS:

- A. The applicant shall guarantee any drainage improvements required by the platting of this property.
- B. If improvements are guaranteed by petition, a notarized certificate listing the petitions shall be submitted to the Planning Department for recording.
- C. On the final plat tracing, the minimum building pad elevation being platted shall be noted on the face of the plat.
- D. On the final plat tracing, a 10-foot utility easement shall be indicated adjacent to the south line of 35th Street North. This utility easement is within the 25-foot front yard building setback and continues the easement first established by Barr's Addition to the west.
- E. The applicant's engineer is advised that the Register of Deeds is requiring the name(s) of the notary public, who acknowledges the signatures on this plat, to be printed beneath the notary's signature.
- F. The applicant shall install or guarantee the installation of all utilities and facilities which are applicable and described in Article 8 of the MAPC Subdivision Regulations.
- G. Perimeter closure computations shall be submitted with the final plat tracing. Section 5-101(C).
- H. Recording of the plat within 30 days after approval by the City Council.
- I. The representative from the City Engineer's office should be prepared to comment on the status of the applicant's drainage plan. Specifically, are any drainage guarantees required and is the proposed minimum building pad elevation correct?

NOTE: This plat has been submitted in final form only.

Re: Final Plat S/D 87-98 - VOLLMER SUBDIVISION IN WALNUT
GROVE

Dear Gentlemen:

At the regular meeting of the Metropolitan Area Planning Commission on October 15, 1987, the above-captioned plat was considered. The action of the Planning Commission was to recommend that the plat be approved as recommended by the Subdivision Committee subject to the conditions stated in our letter of October 9, 1987.

In addition to complying with those conditions, it is necessary that you meet the following requirements before this plat can be forwarded to the City Council for consideration:

1. Submission of the fully completed and signed tracing of the subdivision to the Metropolitan Area Planning Department.
2. Submission of a title report by an abstract or title insurance company or an attorney's opinion that fee title is vested in the platlor.
3. Certification that all real estate taxes for the first half of 1987 and all prior years have been paid.

Please call if you have any questions.

Sincerely,

Donald Losew
Junior Planner
