SECRETARY'S REPORT

CASE NUMBER: BZA 42-89

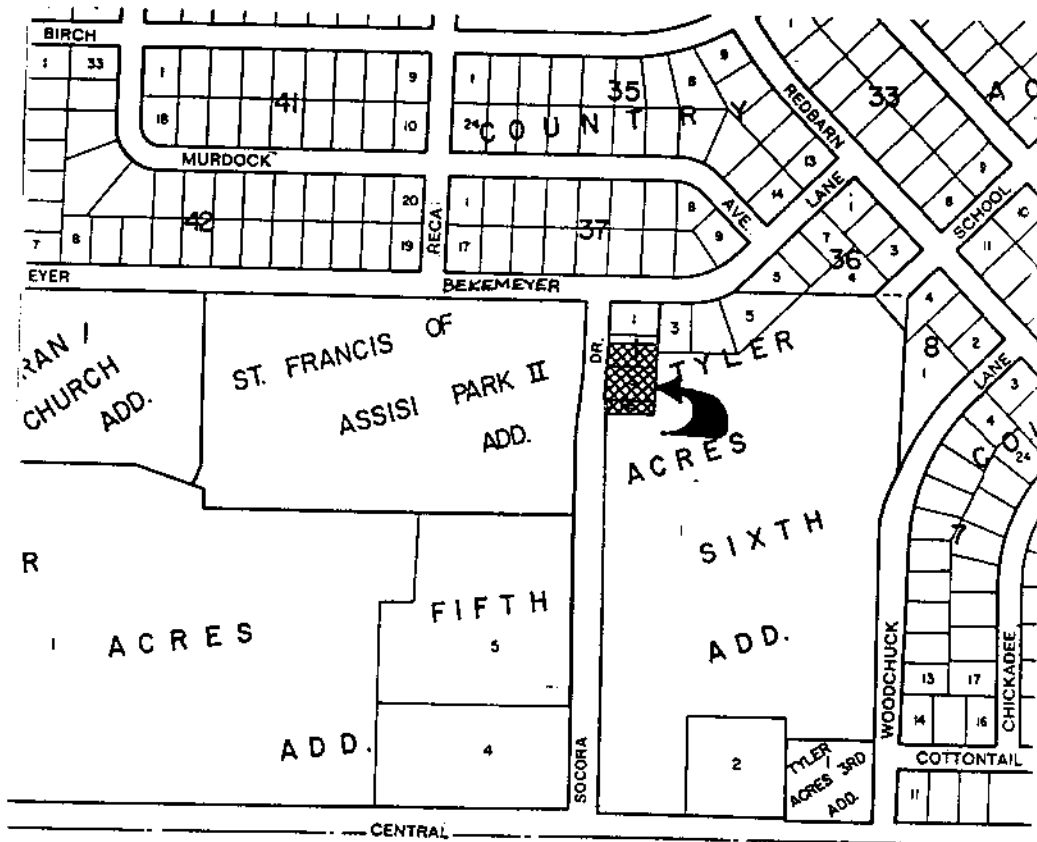

OWNER/APPLICANT/AGENT: Holy Family Center Group Homes, Inc.
(owner/applicant)
Larry Oeding (agent)

REQUEST: Exception to permit a group home for 5 to 6 mentally retarded adults.

CURRENT ZONING: "AA" One-Family Dwelling District

SITE SIZE: 120 ft. x 170.5 ft. (0.47 acre)

LOCATION: East side of Socora in an area south of Bekemeyer (856 N. Socora).

JURISDICTION: The Board has jurisdiction to consider this request under the provisions outlined in Section 2.12.590.C, Code of the City of Wichita. The Board may grant the exception, provided the conditions set out in Section 28.04.185.1 can be complied with.

BACKGROUND: The applicant, Holy Family Center Group Homes, Inc., is in the process of purchasing this property from the Catholic Diocese. The house was formerly used as a convent for nuns at St. Francis Parish and has 7 bedrooms, 2-1/2 baths, large living room, large dining room, large kitchen and large finished basement. The lot itself is almost 1/2-acre in size with a partially fenced back yard. The house has only a one-car garage, although a double-wide driveway exists in front of the garage. The group home will be staffed at all times by a house parent or parents. Only the house parent(s) will have cars.

The property is located on a city bus route and is convenient to medical facilities, library, shopping, banking, restaurants and theaters. The structure has been inspected by the Health Department and the Fire Department and only a few minor changes will be necessary to meet their requirements.

In 1985, a group home for 10 physically handicapped adults was approved for 8316 Bekemeyer which is at the northeast corner of Reca and Bekemeyer, approximately 500 feet from this application site. In 1974, a group home for 10 children (10 to 18 years of age) was approved at 8400 W. Murdock which is at the northwest corner of Reca and Murdock, approximately 900 to 1,000 feet from this application area. Both of these homes are still in operation. Revisions to the state laws governing group homes in 1988 specify that "no such group home may be located within 1,000 feet of another such group home in areas zoned exclusively for single-family dwellings, unless the governing body of the municipality approves a closer location by a majority vote thereof." We are awaiting an opinion from the Law Department as to whether the Board of Zoning Appeals has been delegated this authority under the use exception provisions, or whether the City Council must give final approval for a group home to be located within 1,000 feet of an existing group home.

ADJACENT ZONING AND LAND USE:

NORTH	"AA"	One-family dwelling
SOUTH	"BB"	Undeveloped
EAST	"BB"	Undeveloped
WEST	"AA"	Catholic school and church

RECOMMENDATION: Should the Board determine that a group home for 5 to 6 mentally retarded adults plus 1 to 2 house parents is appropriate at this location, it is recommended that the exception be approved, subject to the following conditions:

1. This exception for a group home is for mentally retarded adults only and for a maximum of 6 at any one time, plus 1 or 2 house parents. Any expansion of the facility to accommodate more than 6 clients or clients other than mentally retarded adults will require a new BZA application.

tally handicapped adults plus house parents, located on the

Socora).

Dear Mr. Oeding:

This morning I was advised by Betty Marty of the SRS that her agency could issue a license for operation of a group home at 856 N. Socora upon completion of the remodeling, provided the zoning of this property is appropriate. I told her the Board of Zoning Appeals had approved a zoning use exception for a group home, subject to SRS licensing. I am releasing the BZA resolution now so that you will not have a problem getting an occupancy permit or the SRS license. For our files, I would like to receive a copy of the license once it has been issued.

Sincerely,

Louise Olivarez
